City Council Meeting Report

Gerri Caruso, Principal Planner, commented regarding Planning related items considered at the July 20, 2010 City Council meeting and items to be considered at the July 27, 2010 Council meeting.

Comm. Sulser said that at the July 20, 2010 City Council meeting the Council considered approval of a monopine. He said he heard there were concerns over the materials used and asked staff to comment. Ms. Caruso said she would check into the concerns and respond to the Planning Commission by email.

Vice Chair Hendricks asked staff about an item being considered by City Council at the July 27, 2010 meeting that the Planning Commission provided recommendation on. He said he noticed that the staff recommendation differs from the Planning Commission recommendation and asked how often that occurs. Ms. Caruso said there are times, not very often, where staff will move forward to City Council with a different recommendation.
