Wednesday, March 16, 2011

2010-7918: AT&T [Applicant], **City of Sunnyvale** [Owner] application for a Use Permit to allow modification to an existing telecommunications facility (AT&T) at Braly Park including the installation of three new panel antennas and associated equipment on a PG&E tower. An additional cabinet is to be placed within the existing enclosure at the base of the tower located at **704 Daffodil Court**. (APN: 211-07-002)RK

In attendance: Christian Hill, Applicant; Gerri Caruso, Zoning Administrator; Ryan Kuchenig, Project Planner; Luis Uribe, Staff Office Assistant.

Ms. Gerri Caruso, Zoning Administrator, on behalf of the Director of Community Development, explained the format that would be observed during the public hearing.

Ms. Caruso announced the subject application.

Ryan Kuchenig, Project Planner, presented the item and stated a modification to condition BP-1.D. regarding the concealment of the RRH units and surge suppressors.

Ms. Caruso opened the public hearing.

Christian Hill, Applicant, received and reviewed a copy of the staff report. The applicant submitted a letter to the Hearing Officer from PG&E stating the reason for reconfiguring the design to the one set forth. Ms. Caruso clarified process questions for the applicant.

Ms. Caruso closed the public hearing.

Ms. Caruso approved the application subject to the findings and conditions of approval located in the staff report. Adding additional wording to finding 1 stating that staff was able to make the findings because the project, as conditioned, meets the City's guidelines. The project is subject to the conditions provided in attachment A, including BP-1.D.

Ms. Caruso stated that the decision is final unless appealed to the Planning Commission with payment of the appeal fee within the 15-day appeal period.

The meeting was adjourned at 2:06 p.m.
