RDA 2. RESOLUTION
RDA 09-004 Adoption of the Five-Year Implementation Plan for the Sunnyvale Central Core Redevelopment Project Area for FY 2009/10 through FY 2013/14

Director of Community Development Hanson Hom provided the staff report.

Councilmember Whittum inquired as to how the $56 million RDA debt will be paid off by 2015, as indicated in the report. Director Hom stated it is based on projections of tax increments for the next five year period. Director Hom stated the projected completion of a substantial portion of the Town Center project is 2011 or 2012.

Councilmember Whittum inquired as to the total amount of cash flow the RDA has to pay per year. Director of Finance Mary Bradley responded that first the RDA has to pay the tax allocation bonds, then the certificates of participation, and the first amended repayment agreement written in 1977 states that after that, all the other available tax increment money comes back to the General Fund to repay the loan. Director Bradley stated the dollar amount varies substantially because it depends on how much is available.
