RTC 10-224 Response to Grand Jury Report Regarding Sunnyvale City Council
RTC 10-224 Actions Lacking Transparency

Councilmember Lee stated he will recuse himself from discussion of Finding 4 and requested for procedural purposes the discussion on Finding 4 to be held separately.

City Attorney David Kahn provided the staff report.

Public hearing opened at 7:39 p.m.

No speakers.

Public hearing closed at 7:39 p.m.

MOTION: Councilmember Swegles moved and Councilmember Spitaleri seconded the motion to approve Alternative 1: Approve the City's response to the Santa Clara County Civil Grand Jury report, on all findings except Finding 4.

FRIENDLY AMENDMENT: Griffith proposed an amendment to change the response to Finding 3, from “partially disagrees” and “partially agrees” to “fully agrees”. Councilmember Swegles accepted the friendly amendment.

FRIENDLY AMENDMENT: Vice Mayor Moylan proposed an amendment to modify the City response to Finding 2, to say that we “Disagree with the finding as written”, keep the third paragraph that points out that the Grand Jury made a mistake saying that the Councilmember was appointed at that meeting when in fact the Councilmember was nominated at that meeting, address the Grand Jury’s concern that interested members of the public would not reasonably have been able to tell ahead of time that Council was going to nominate one person, and indicate the City has recently taken steps to improve this by encouraging Councilmembers who have an alternative that is not listed in the staff report to state it before the public hearing.

Councilmember Swegles accepted the friendly amendment.

VOTE: 6 - 1 (Councilmember Whittum dissented)

Councilmember Lee recused himself from the discussion regarding Finding 4 and left the room.

3. MOTION

RTC 10-215 2010-7291 - The Ridgecrest Group [Applicant] Omid Shakeri [Owner]: Appeal by a neighbor of a decision by the Planning Commission approving Design Review applications for three one-story single-family homes (two homes greater than 3,600 square feet which require
Planning Commission review) and Variances for each home with heights that exceed the 17' height that is permitted within a single-story combining district on a site located at 574 Bobolink Circle (APN: 309-02-034)

Planning Officer Trudi Ryan provided the staff report.

Public hearing opened at 8:09 p.m.

Martin Landzaat, appellant, provided a photo presentation of the condition of the house over the previous two years and stated it has not been kept up to community standards. He stated the proposed houses are not consistent with the scale and character of homes in the adjacent neighborhood. He stated they will be twice the size of existing homes and provided information regarding the pitch of the roof. He stated he would like to see a design where basements are used so the square footage can be achieved and the above ground mass would be reduced. Mr. Landzaat stated the proposed homes are out of character with the neighborhood’s ranch-style homes; none have a hipped roof with a flat top, flat, tiled roofing materials, rock or arched window exteriors, or 9.5 foot eave heights. He stated the height variance from 17 feet to 19.5 feet will place these homes on a 2.5 foot pedestal and expressed concerns regarding the slope and need for retaining walls. He stated the current tract hides the elevation differentials along the rear of the lots and the variance will expose the grade differential to the street. Mr. Landzaat provided information regarding the proposed removal of protected trees and responded to questions from Council.

Omid Shakeri, applicant, provided a brief history of the previous approvals and permitting on this project and subsequent delays experienced due to a lack of financial backing, expiration of the design review, and new requirements following a change in the ordinance. Mr. Shakeri requested approval of the variance, and stated the height of the houses from the adjacent grade according to the old ordinance is 16.5 feet, but according to the new requirement, measured from top of curb increases to 19.5 feet. Shakeri provided written materials to Council and stated lowering the grade would require cutting it down about four feet to get to the correct level with top of curb. He stated the proposal is to cut 1.5 to two feet and asking for two to 2.5 feet higher in grade. Mr. Shakeri stated with regard to the size of the houses, the lots are large and the FAR is below what is allowable and a lower percentage FAR per lot size than several neighboring houses. Mr. Shakeri stated with regard to concerns about the removal of the canary palm, the Fire Department requires a minimum fifteen foot clearance and the tree is in the fire lane. Shakeri provided information relating to the removal of the appellant’s tree. Mr. Shakeri stated the houses are compatible with the neighborhood: one story, low profile, similar in roof pitch, use of stucco, and was previously approved. Mr. Shakeri responded to questions from Council.

Jack Galante, grading contractor, spoke regarding the proposed plans for lowering the grade for the building pads and the variance that would provide in the event of a flood or a backup. He stated that to take it down the original 4.5 to five feet would cause the loss of all the trees on the property.

Martin Landzaat, appellant, provided a response to comments regarding the removal of his tree. He stated he would rather have the variance denied and lose the palm tree, although it would be easy to save, move, or sell. He recommended against denying the appeal and responded to questions from Council.
Omid Shakeri, applicant, responded to comments regarding the tree and grading.

Public hearing closed at 8:49 p.m.

MOTION: Councilmember Spitaleri moved and Councilmember Griffith seconded the motion to approve Alternative 2 to deny the appeal and uphold the decision by the Planning Commission to approve the Variances and Design Reviews with the recommended Conditions of Approval located in Attachment B.

VOTE: 7 - 0

4. MOTION
RTC 10-217
Approval of Revised Council Policy 7.2.19, Boards and Commissions

Assistant City Manager Robert Walker provided the staff report.

Council Subcommittee Chair Griffith presented a report of the Council Subcommittee on Board and Commission Bylaws Amendments.

Public hearing opened at 9:01 p.m.

Bob Obrey, Chair of the Art Commission, conveyed the recommendation of the Art Commission that “to the extent possible, the Arts Commission shall include at least one member with a background in the visual arts and one member with a background in the performing arts” by motion passed 3 – 0 at the July 21st meeting. He stated the commission also recommended that the members of the commission be Sunnyvale residents.

Public hearing closed at 9:03 p.m.

MOTION: Councilmember Lee moved and Councilmember Whittum seconded the motion to approve Alternative 1: Approve the policy revisions as presented.

FRIENDLY AMENDMENT: Vice Mayor Moylan moved a friendly amendment to suggest a topic for the Council Subcommittee’s next meeting a request to consider reviewing the six-level appeals process on pages 15 and 16 of Council Policy 7.2.19. Councilmember Lee accepted the friendly amendment.

VOTE: 7 - 0

Mayor Hamilton requested to send to the Council Subcommittee a request to review the possibility of allowing people who are not registered voters to serve on boards and commissions, and to ask the Charter Review Committee to take a look at it.
