FREE CHILD CARE PROFESSIONAL DEVELOPMENT WORKSHOPS

Program offered by City of Sunnyvale and UC Davis partnership

SUNNYVALE, Calif. – The City of Sunnyvale, in partnership with the UC Davis Center for Excellence in Child Development, is pleased to offer two exciting new workshops for family child care providers. Participants can receive continuing education units (CEUs) for attending.

“Child Observation” will be offered Saturday, September 10, from 10 a.m. to 3:30 p.m. Workshop participants will learn to critically analyze assessment tools and explore ways to use their observations to support children, families and program development.

“Promoting Children’s Success” is a two-part, 10-hour module developed by The Center for Social and Emotional Foundations for Early Learning (CSEFEL) to promote children’s social emotional development and reduce challenging behavior in group care. This workshop will explore practical strategies for building positive relationships with children and coping with challenging behavior while developing schedules and rules that invite cooperation from children.
