SUNNYVALE DETECTIVES SEEK HOMICIDE SUSPECT

Suspect may have fled the country to India

SUNNYVALE, Calif. – On March 25, 2012, at 11:30 p.m., Sunnyvale Department of Public Safety (DPS) police and fire personnel responded to the 1300 block of Socorro Avenue on a report of a female who had been struck by a vehicle. Arriving emergency personnel found an adult female in the roadway suffering from severe injuries; the involved driver and vehicle fled the scene immediately after the incident. The victim, later identified as 28-year-old San Jose resident Jennifer Flores, was transported to Valley Medical Center where she succumbed to her injuries.

During the subsequent investigation, Sunnyvale Detectives determined Flores was initially a passenger in the vehicle, prior to being pushed out and run over by it. On March 27, detectives identified the driver of the vehicle as 25-year-old Pawanjit Singh of San Jose. Singh is described as being 5-feet 5-inches tall, weighing 145 pounds with black hair and brown eyes. Detectives have discovered Singh boarded a flight for Dubai, then India, on Monday, March 26.

On Wednesday, March 28, an arrest warrant for homicide (187 P.C.) was obtained with a bail amount of \$1 million, as well as a search warrant for the suspect's residence. During the search of the residence, detectives discovered the location of the suspect's

vehicle. The vehicle has since been seized and is being processed for evidence related to the crime.

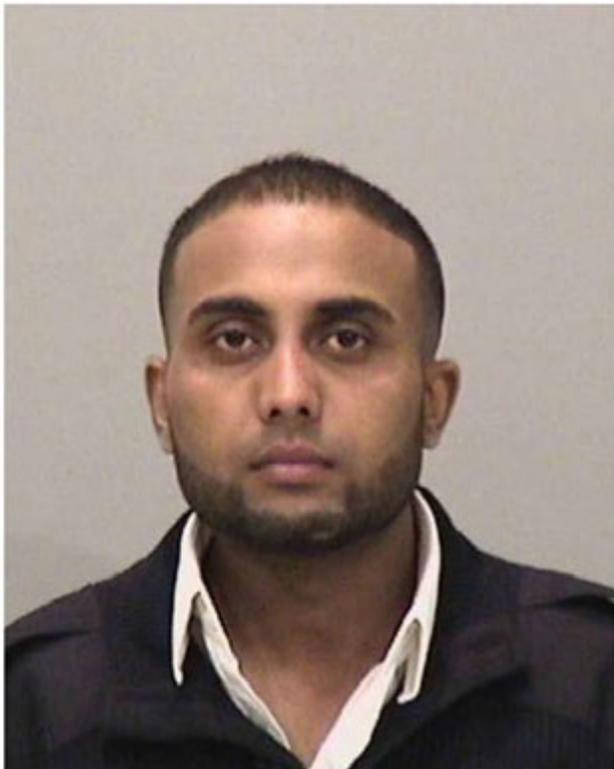

Sunnyvale Detectives are currently working with the FBI and the U.S. Marshall's Office on locating the suspect in India.

Anyone with information related to the case is asked to contact DPS Detective Fabian Monge at (408) 730-7131.

This case marks the second homicide for the year in Sunnyvale.
