COLUMBIA NEIGHBORHOOD CENTER GRAND RE-OPENING CEREMONY IS MAY 5

SUNNYVALE, Calif. -- The public is invited to celebrate the Grand Re-Opening Ribbon Cutting Ceremony of the newly expanded Columbia Neighborhood Center to launch this year's Fit & Fun Fair on Saturday, May 5. The ceremony will be held at the center entrance at 785 Morse Ave. and begin at 10:30 a.m. After the ribbon cutting, the new facility will be open to the public to tour and explore.

The Sunnyvale School District, which served as the project lead on the expansion, collaborated with the City to begin the expansion in June 2010. The \$3 million project, divided equally between the two parties, has expanded the Columbia Neighborhood Center to more than 23,000 square feet. This expansion will allow more space to serve the community with more programming, recreation, education, health, and social services.

Additional information about Columbia Neighborhood Center Grand Re-Opening event and the 2012 City of Sunnyvale Fit and Fun Fair can be found at CNC.inSunnyvale.com or by calling (408) 523-8150, TDD (408) 730-7501.
