Release # 07 04 12

MORNING ROBBERY WAS NOT RANDOM ACT

SUNNYVALE, Calif. – Sunnyvale's Department of Public Safety apprehended two robbery suspects in the 100 block area of Florence Street this morning and are looking for a third.

At approximately 3:40 a.m. on July 16, Public Safety Officers responded on a report of a robbery that had just occurred inside a residence. Arriving on scene, officers saw two subjects fleeing the area on foot. While one suspect was caught immediately, officers locked down the area and set up a search perimeter. With assistance from the K-9 Unit, the second suspect was apprehended three hours later, hiding in the bushes in a rear yard of a house on Waverly Street. A third suspect, who is believed to be female, was possibly seen leaving the area in a vehicle.

Further investigation conducted by Sunnyvale Detectives revealed the victim was acquainted with the female suspect through an internet contact and had arranged to meet the female suspect at his residence. When she arrived, it is believed that she had the other two suspects with her and the robbery occurred. The victim was not injured during the incident, and it is believed that all the property taken during the robbery was

recovered. At this time, Sunnyvale Detectives are working on identifying the female suspect and checking with other local agencies to see if they have experienced any similar robberies.

Anyone with information about this case is asked to call Detective Fabian Monge at (408)730-7131, TDD (408) 730-7501. Information may be given anonymously through *SVTIP@tipnow.org*.
