Child Abduction Suspect In Custody; Child Safe

SUNNYVALE, Calif. – On Nov. 6, Sunnyvale Department of Public Safety Investigators were contacted by the United States Border Patrol advising that Mesut Guler, a 22 year-old Sunnyvale resident, was arrested by Mexican authorities and his two week-old son was recovered unharmed. Guler was arrested on a one million dollar warrant that Sunnyvale Investigators had obtained during the course of the investigation today.

Guler was reportedly stopped at a checkpoint in Mexico and questioned by Mexican authorities. The Mexican authorities contacted U. S. Border Patrol Agents in Lukeville, Arizona, at which point the U. S. Border Patrol Agents discovered the warrant for Guler's arrest.

U. S. Border Patrol is coordinating with Mexican Authorities on the transfer of Guler and his son to U.S. authorities.

Sunnyvale DPS will be holding a news conference at DPS Headquarters at 5:15 p.m. today.
