INTERIM CITY MANAGER SELECTED FOR SUNNYVALE

SUNNYVALE, Calif. – The Sunnyvale City Council has unanimously selected Assistant City Manager Robert Walker as the Interim City Manager while the national search for a new City Manager continues to replace retiring City Manager Gary Luebbers.

Interviews with selected candidates for the City Manager position have been scheduled for December 13; the current City Manager will no longer be an active employee effective the last day of the pay period ending December 14. Walker will serve as Interim City Manager until the recruitment process is complete and a new City Manager begins employment.

Walker has been Assistant City Manager since February 2005. Prior to that, he served as both Sunnyvale's Parks Superintendent and Director of the Parks and Recreation Department.
