Sketch of Suspect in Sunnyvale Home Invasion

SUNNYVALE, Calif. – On Saturday, May 3, 2014 at approximately 3:10 p.m., Sunnyvale Department of Public Safety (DPS) responded to a report of a home invasion robbery that occurred on the 1000 block of Syracuse Drive. Investigating officers found that an elderly couple had been robbed at gunpoint and the suspect had fled the area. The suspect was initially described as a Hispanic male, 5 feet 7 inches tall, with an average build and between 35 and 40 years of age. The suspect's age now has been revised to be late 20s to early 30s. The suspect was wearing a green t-shirt and dark-colored jacket and pants. The suspect was further described as having a Spanish accent and a full beard that was closely trimmed.

The victim reported that the suspect had been at the front door of her property on May 2, the day before the robbery. The victim had seen the suspect walk up to her front door and crouch down. Believing he was delivering a package, the victim opened the door. At that point, the suspect stood up and seemed to say something about a job. The victim could not clearly understand the suspect and closed the door.

DPS is asking for anyone with information related to this crime or who recognizes the person in the sketch to contact Sunnyvale Detective Alan Harnett at (408) 730-7138.
