

# Fix for DNN problem with IE11

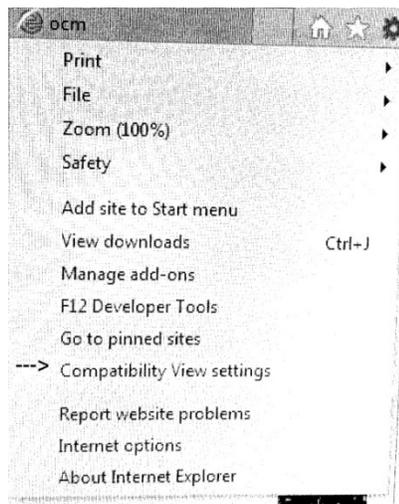

---

## Summary of problem

If you do not turn on Compatibility View in IE11, DNN will randomly insert extra vertical spaces throughout your page.

## Here is how to fix the problem

1. Select Compatibility View settings from the IE11 settings menu (the gear icon in the upper right) or the Tools menu

2. Type "ca.gov" in the Add the website field and press the Add button
