SUNNYVALE ADOPTS FY 2011/12 BUDGET

SUNNYVALE, Calif. – The City of Sunnyvale has adopted a new budget for Fiscal Year 2011/12. City Councilmembers took the action at their regular Tuesday (June 28) meeting. The new budget will take effect as the City's new fiscal year begins July 1.

Councilmembers adopted the budget with a 6 – 0 vote. The new \$265 million budget adopts many money-saving approaches as the City works to operate under today's leaner economy.
