PAY SCHEDULE

City employees are paid bi-weekly on alternating Thursdays.

WORK SCHEDULE

Work schedules vary based on assignment.

TERM LIMITED APPOINTMENTS (If applicable)

Term Limited positions shall be subject to membership in the applicable bargaining unit and shall receive the full benefits applicable to their bargaining unit, except as limited by their "at-will" status, meaning that they may be terminated at any time with or without cause.

BENEFITS

Benefits are provided to all employees and vary by bargaining unit and/or employee group. Benefits are subject to change and do not constitute a contract.

HEALTH AND WELFARE BENEFITS

The City of Sunnyvale provides three (3) tiers of coverage that can be selected independently for the medical and vision plans: employee only, employee plus one dependent, and employee plus two or more dependents (family coverage).

Medical

Employees are eligible to enroll in a CalPERS medical plan effective the first of the month following their date of hire. The following plans are available: Anthem Select HMO, Anthem Traditional HMO, Blue Shield Access+ HMO, HealthNet SmartCare HMO, Kaiser HMO, Western Health Advantage HMO, PERS Choice PPO, PERS Select PPO, PERS Care PPO and PORAC.

The City pays a CalPERS required Minimum Employer Contribution (MEC) of \$467.46 monthly to CalPERS to be used toward the cost of a medical plan premium plus provides an employee cafeteria contribution of \$47.54 monthly. The City's total maximum contribution is \$515.00 monthly, which is used to pay for the medical premium cost, employee assistance program, vision or supplemental life insurance plans. These amounts may cover employee plus family benefits depending upon plan selection. Surplus MEC and cafeteria plan contributions are not eligible for cash payment.

Dental

Dental insurance is provided through PSOA after thirteen (13) pay periods of service.

Vision

Employees are enrolled in the Vision Service Plan (VSP) effective the first of the month following their date of hire. At minimum, employee enrollment is mandatory. The premium cost will be deducted from the City contribution surplus, if available. If the City contribution does not contain a surplus, the cost will be deducted from pay on a pre-tax basis.

VSP provides a voluntary buy-up option that enhances coverage for an additional cost that is paid 100% by the employee. Surplus cafeteria plan contributions may not be applied to the buy-up cost.

VSP does not provide employees with member cards. You can simply use your social security number to verify your coverage with your vision provider. Plan information can be found at www.vsp.com.

Life Insurance/Accidental Death & Dismemberment (AD&D)

The City shall provide life insurance equal to one times the annual base salary for employees. The employee also has the option of buying additional insurance, referred to as Supplemental Life/AD&D insurance of one times his/her annual base salary up to the maximum allowable coverage. Coverage is subject to the terms and conditions of the insurance policy and to current tax law provisions. If an employee chooses to buy supplemental insurance, the additional cost will be deducted from any City contribution surplus. If the City contribution does not contain a surplus, the cost will be deducted from pay on an after-tax basis. Coverage begins the first of the month on or after the date the employee starts continuous service.

Long-Term Disability (LTD)

LTD insurance is provided through PSOA. Coverage is effective immediately upon date of hire.

Employee Assistance Program (EAP)

Up to seven (7) paid in person counseling sessions per fiscal year for employees and eligible dependents plus unlimited telephonic sessions for work and life services are available through the EAP. The premium is deducted from the City contribution surplus.

Flexible Spending Accounts

The City offers a Healthcare Spending Account with an annual election limit of \$2,700 and a Dependent Care Spending Account with an annual election limit of either \$2,500 or \$5,000. Both spending account election limits are regulated by the IRS and the Dependent Care limit is determined based on an employee's income tax filing status.

Commuter Transportation Benefits

The Commuter transportation benefits plan allows you to set aside money on a pre-tax basis to pay for qualified work-related transportation expenses for mass transit, van pools, and parking. The monthly election limit is regulated by the IRS and fluctuates periodically.

Premium Conversion

Costs paid by the employee for medical and vision premiums are automatically deducted from pay before taxes, thereby, reducing taxable income and increasing take home pay.

Retiree Medical Contribution

The City will continue to contribute up to the monthly CalPERS Minimum Employer Contribution for PSOA employees that retire from Sunnyvale and elect CalPERS Basic or Medicare Supplement medical plan coverage. The Minimum Employer Contribution is paid directly to CalPERS, on behalf of the retiree. The City does not contribute to the cost of Medicare plan premiums that retirees pay to the Social Security Administration.

Employees contribute three percent (3%) of the nine percent (9%) employee contribution from pay on a pre-tax basis pursuant to 414(h)(2). The City pays the remaining six percent (6%) employee contribution and reports the value to CalPERS as additional compensation. In addition, the City contributes 2.25% to fund the 'Single Highest Year' benefit.

Final compensation, for purposes of calculating the retirement benefit, is calculated on the highest average pensionable compensation earned by a member during a period of 12-consecutive months. This is also referred to as the single highest year average. The minimum retirement age is 50 and the maximum benefit age is 50 for Tier 1 and age 55 for Tier 2.

Classic employees who first became members on or after July 1, 1996 are subject to an annual compensation limit. The current limit is \$265,000. Employees do not pay contributions on amounts exceeding this limit and compensation earned beyond the limit will not be considered when CalPERS calculates the single highest year pensionable compensation average. The City does not participate in Social Security but does contribute to Medicare.

Note: Non-sworn personnel (Public Safety Officer-in-Training) receive the applicable miscellaneous benefit plan formula until successful completion of the police academy.

CalPERS Retirement Benefits for New Members

New members are:

- Individuals who have never been a member of any public retirement system prior to January 1, 2013, or
- Individuals who moved between retirement systems with more than a six (6) month break in service.

In compliance with the California Public Employees' Pension Reform Act of 2013 (PEPRA), new members will receive a Local Safety benefit formula of 2.7% @ 57. Employees contribute 50% of the normal cost which is subject to change on a fiscal year basis as determined by CalPERS. The current employee contribution is eleven percent (11%). The current contribution from pay is on a pre-tax basis pursuant to 414(h)(2).

Final compensation, for purposes of calculating the retirement benefit, is calculated on the highest average pensionable compensation earned by a member during a period of 36-consecutive months. This is also referred to as the 3-year average. The minimum retirement age is 50 and the maximum benefit age is 57.

New members are subject to an annual compensation limit that is regulated by CalPERS and changes periodically. The City does not participate in Social Security but does contribute to Medicare.
