CLOSING DATES
In order to be tentatively scheduled for a public hearing (or PRC meeting for Preliminary Review applications), applications must be submitted to the Planning Division at the One-Stop Permit Center by 5 p.m. on the closing date shown in the schedule. Applications missing required information will not be accepted. Consult with the on-duty Planner for required submittal materials.

PROJECT PLANNER
Once a project application is accepted, it is assigned to a Project Planner. The Project Planner will serve as the City staff liaison during the application review process until project completion.

PRC MEETINGS
Project circumstances may require the selection of a different PRC date than as shown in the table. The project planner will keep the project applicant informed of any date changes as soon as they are known.

PRC MEETING

WEST CONFERENCE ROOM, CITY HALL, 1:30 P.M.,
WEDNESDAYS

APPLICANT ATTENDANCE ENCOURAGED

The PRC consists of representatives from the Departments of Community Development (Planning and Building), Public Safety (Fire and Crime Prevention), Environmental Services and Public Works (Engineering, Transportation & Traffic and Trees & Landscaping). The PRC reviews applications for technical compliance with the California Environmental Quality Act (CEQA), City codes, design guidelines, policies and other specifications. Less complex projects may not be reviewed by the entire PRC. At the PRC meeting, applicants will receive written comments, including a list of additional information required to perform a thorough analysis of the project. More complex projects may receive comments a week after the meeting. PRC comments do not constitute a recommendation of approval or denial of the project. Based on the PRC comments, the Project Planner will determine if the application is complete.

PROJECT APPLICATION COMPLETENESS

Incomplete applications cannot be scheduled for public hearings. The project must first be deemed complete either by the PRC or the Project Planner. The deadline for submittal of missing material is typically noon Tuesday the week following the PRC meeting. Major changes to a project from the initial PRC review will require another PRC review before being scheduled for public hearings.

PRELIMINARY REVIEW

Preliminary Review is an optional process for applicants to submit schematic plans of a project for PRC review and receive early feedback from City staff before submitting a formal project application. The process starts at application submittal and ends at the PRC meeting with no formal decision made on the application. **Preliminary Review is strongly encouraged for complex projects, large projects or potentially controversial projects.**

PLANNING COMMISSION STUDY SESSION

WEST CONFERENCE ROOM, CITY HALL, 6 P.M.

APPLICANT ATTENDANCE ENCOURAGED

A Planning Commission (PC) study session may be required depending on the complexity of an application. A study session can help identify issues that the PC wants addressed before the project is formally reviewed at a hearing. The study session is open for the public to attend, but it is not a public hearing and no decision is made on the application. A project is typically scheduled for a study session 2-4 weeks before its scheduled public hearing. PC study session dates are the same as the PC hearing dates.

PUBLIC HEARINGS

APPLICANT ATTENDANCE REQUIRED OR REVIEW COULD BE CONTINUED TO A LATER DATE

The public hearing is a publicly advertised meeting where the public has an opportunity to comment and participate on matters under consideration, such as development project applications. The applicant is given an opportunity to make a short presentation before members of the public can speak on the proposed project. After receiving public testimony, the decision making body will typically make a decision on the project application.

LEVEL OF REVIEW

Depending on the complexity of the project and the environmental review (per CEQA) required, an application would require either Zoning Administrator or Planning Commission hearing. Some projects will require City Council review, which will typically be 3-5 weeks following the Planning Commission hearing. Consult with a Planner to see which type of hearing is required.

ZONING ADMINISTRATOR HEARING
WEST CONFERENCE ROOM, CITY HALL
3 P.M.

PLANNING COMMISSION HEARING
COUNCIL CHAMBERS, CITY HALL
7 P.M.

CITY COUNCIL HEARING
COUNCIL CHAMBERS, CITY HALL
7 P.M.

APPEALS

Title 19 (Zoning) of the Sunnyvale Municipal Code describes when decisions may be appealed to another decision making body. Any person aggrieved by a Zoning Administrator decision may appeal it to the Planning Commission. Some decisions by the Planning Commission may be appealed to the City Council; others are final. City Council decisions are final.

To file an appeal, a complete application form, a written letter stating the reasons for the appeal and the required fee must be submitted to the Planning Division at the One-Stop Permit Center within 15 days of the date of the decision.
