

## THE CITY OF SUNNYVALE INVITES YOU TO THE LAWRENCE STATION AREA PLAN HOUSING STUDY COMMUNITY MEETING

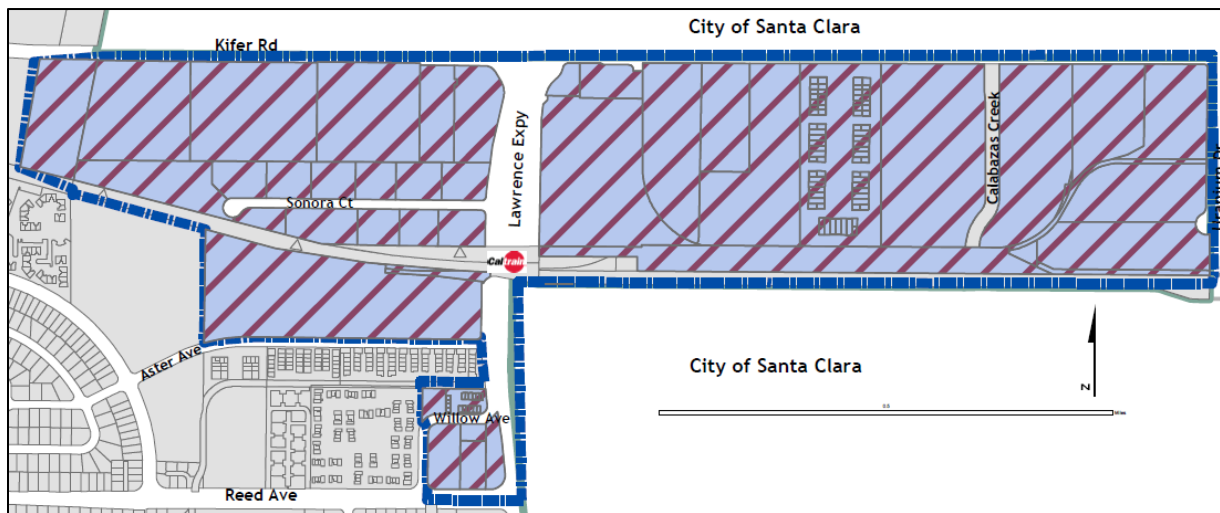

The City of Sunnyvale is studying options available to increase housing opportunities within the boundaries of the recently adopted Lawrence Station Area Plan (LSAP), shown in the map below.

Options include:

- Increasing housing potential on properties where residential development is already allowed.
- Allowing residential development in plan area locations that were not originally zoned for residential units.

At this meeting, City staff will discuss the proposed options with residents and other stakeholders prior to presenting them at upcoming hearings at the Planning Commission and City Council. Please join us to learn more about this process and contribute your input to this important effort.
