LSAP Housing Study Preferred Land Use Alternative
(as selected by the City Council on 6/26/2018)

Housing Increase: 3,612 units
Total # of allowable units in LSAP: 5,935 units (2,323 units currently allowed)

MXD-I and MXD-II: Increase max. density to 100 du/ac

Study a bike/ped route from M-S/LSAP to Caltrain station

O-R: Allow housing up to 54 du/ac

M-S/LSAP: Allow housing up to density of 100 du/ac

City of Santa Clara

NOTE: Selection of this alternative does not require the City to amend the LSAP; only to study the full extent of the impacts associated with the housing increase.
