NOV 09 2018

The Honorable Glenn Hendricks
Mayor of Sunnyvale
456 West Olive Avenue
Sunnyvale, CA 94088-3707

Dear Mayor Hendricks:

Thank you for your letter dated October 15, 2018, regarding the proposed Bayside Visual Approach for Surf Air flights into San Carlos Airport (SQL).

Surf Air submitted a request through the Instrument Flight Procedures Gateway for a public Charted Visual Flight Procedure into SQL. The Federal Aviation Administration (FAA) reached out to Surf Air to inquire whether they still need the procedure. Because they have not confirmed an ongoing need, the FAA no longer plans to publish the procedure.

If we can be of further assistance, please contact Chris Brown, Assistant Administrator for Government and Industry Affairs, at (202) 267-3277.

Sincerely,

Jodi S. McCarthy
Vice President, Mission Support Services
Air Traffic Organization
