QUESTIONNAIRE FOR MAJOR COMMERCIAL PROJECTS

1. Is this project associated with an already-approved planning permit?

2. Does the project involve a *change of use* (ex. previous tenant was an office, new tenant is a restaurant)?

3. Are exterior changes to the building or site proposed (ex. new roof-mounted equipment or trees for removal modifications to the parking lot, new windows or doors)?

4. **Is the project proposing any kitchen/café improvements?** (This is for Public Works to determine any sewer/water connection fees and updates to the trash management plan.)
