

Sunnyvale Redistricting Commission Recruitment Announcement and Application

Application deadline is June 1 at 5:00pm
(Interviews tentatively scheduled for June 17)

Background

Sunnyvale must re-draw its six Council district boundaries using new 2020 Census data. This process is called redistricting. All cities with district-based election systems, like Sunnyvale, must redistrict after each Census. This keeps population counts within each district relatively equal to ensure equal representation. Sunnyvale adopted district boundaries in 2019 using 2010 Census total population counts. We must now reevaluate districts using the new census data.

Role of the Redistricting Commission

The Redistricting Commission will facilitate the process of adjusting Council district boundaries for elections between 2022 and 2030. It will hold public hearings to gather public input. The Commission will submit 3-5 draft map proposals to Council based on community input and select one preferred map. Commissioners should be open-minded, impartial, and community-minded. The Council's goal is that the Redistricting Commission will represent the geographic, ethnic, and social diversity of the City. Learn more at Sunnyvale.ca.gov/redistricting.
