Its purpose is to promote harmonious relations between the City, the Association, and employees by setting forth the understanding of the parties reached as a result of meeting and conferring in good faith regarding the wages, hours, and certain other terms and conditions of employment of employees in the classifications comprising this Bargaining Unit (Unit).

## Article 2 RECOGNITION

The Sunnyvale Employees' Association/IFPTE Local 21 (Union) is hereby acknowledged as the exclusively recognized employee organization for those employees in the classifications listed in Exhibit A as it currently reads or as modified by agreement of the parties during the term of the MOU.

If the City develops a new classification, it shall make an initial determination as to the bargaining unit and job family placement of that classification.

The City shall notify the Union of the development of a new classification and the City's initial bargaining unit placement and job family placement, and, upon written request from the Union within ten (10) work days from the City's notice, shall consult with the Union concerning the placement of the new classification(s).

## Article 3 RATIFICATION

It is agreed that the provisions of this MOU are of no force or effect until ratified by the Union and duly adopted by the City Council of the City of Sunnyvale.

## Article 4 TERM

The term of this Agreement shall be from July 1, 2022, through and including June 30, 2026, and will thereafter continue in effect until the parties reach agreement on a successor Agreement or the City Council takes action to modify the wages, hours and terms and conditions of employment provided hereunder.

## Article 5 CITY RIGHTS

Except as modified by this MOU, the rights of the City as contained in the City Charter, Constitution and Laws of the State of California include, but are not limited to, the right to determine the services, activities and functions of its constituent departments, commissions and boards; set standards of service; determine the procedures and standards of selection for employment and promotion; direct its employees; take disciplinary action for just cause; layoff its employees because of lack of work or for other legitimate reasons; maintain the

efficiency of governmental operations; determine the methods, means and personnel by which governmental operations are to be conducted; take all necessary actions to carry out its service, activities and functions in emergencies; and exercise complete control and discretion over its organization and the technology of performing its work.

## Article 6 FULL UNDERSTANDING, MODIFICATIONS, AND WAIVERS

This Agreement sets forth the full and entire agreement of the parties regarding the matters set forth herein, and any other prior or existing understanding or agreements, including any prior memoranda of understanding, over the matters set forth within, whether formal or informal, are hereby superseded or terminated in their entirety.

It is agreed and understood that, except as set forth herein, each party hereto voluntarily and unqualifiedly waives its right to negotiate, and agrees that the other party shall not be required to negotiate with respect to any subject or matter covered herein or with respect to any other matters within the scope of representation, during the term of this Agreement.

No agreement, alteration, understanding, variation, waiver, or modification of any of the terms or provisions contained herein shall in any manner be binding upon the parties hereto unless made and executed by all parties hereto, and if required, approved by the City and ratified by the membership of the Union.

The waiver of any breach, term or condition of this Agreement by either party shall not constitute a precedent in the future enforcement of all its terms and provisions.

## Article 7 SEVERABILITY

In the event any provision of this MOU is declared invalid or unenforceable by a court of competent jurisdiction, the remaining provisions of the MOU shall remain in full force and effect.

If a provision is declared invalid or unenforceable as provided above, at the written request of either party submitted to the other within ten (10) work days of such action by the court, the parties shall meet promptly to negotiate the impact of such declaration by the court.

## Article 8 ORDINANCES, CODES, AND RESOLUTIONS

Any written City ordinances, codes, or resolutions currently in effect that cover subjects within the scope of representation shall not be changed during the term of this Agreement without first giving the Union the opportunity to meet and confer concerning such changes, except as otherwise provided by this Agreement.

Such meeting and conferring shall be up to and including mediation.

## Article 9 SCOPE OF NEGOTIATIONS

The scope of representation shall include all matters relating to employment conditions, and employer-employee relations including but not limited to wages, hours, and other terms and conditions of employment, as provided by the Meyers-Milias-Brown Act and as may be amended.

## Article 10 AUTHORIZED AGENTS

For purposes of administering the terms and provisions of this Agreement:

City's principal authorized representative shall be the City's Director of Human Resources or duly authorized representative (address: 505 West Olive Avenue, Suite 200, Sunnyvale, CA 94086; telephone (408) 730-7490) except where a particular management representative is specifically designated in connection with the performance of a specified function or obligation set forth herein.

The parties understand that the City will have to timely comply with any changes in the law independent of their negotiations over the impacts of those legal changes. However, the City will endeavor to meet and confer with the Union prior to the implementation of such changes, and in any event, as promptly as possible.

## Article 12 EQUAL EMPLOYMENT OPPORTUNITY POLICY

The Sunnyvale Employees' Association/IFPTE Local 21 supports in full the City's Equal Employment Opportunity Policy.

## Article 13 AMERICANS WITH DISABILITIES ACT (ADA)

The parties recognize that the City may be required to make certain accommodations to carry out its obligations under the Americans with Disabilities Act (ADA). Some of these accommodations may require actions which are contrary to the language or intent of existing provisions of this Agreement. The parties agree that such accommodation shall not constitute a "past practice" or waiver by either party to its right to fully enforce such provisions in the future with regard to persons not subject to the protections of the ADA.

Recognizing that circumstances surrounding ADA compliance in individual cases necessarily involve matters which are personal and require the utmost confidentiality, specifics of an individual case shall not be divulged by the City. This Article shall not be grievable or arbitrable.

## Article 14 RENEGOTIATIONS

In the event either party hereto desires to negotiate a successor MOU, written notice of desire to renegotiate shall be served during the period of 180 days to 90 days prior to the termination date of the MOU. If either party serves notice to renegotiate, the Union shall provide the City with its initial written proposals no later than 90 days prior to the termination of the MOU.

## 16.4 Overtime

An employee who is required and authorized in advance by a management supervisor or designee and who actually works overtime shall be compensated at one and one-half times the employee's base hourly rate for all such overtime work in excess of forty (40) hours per work period, unless compensatory time is provided pursuant to Article 18.7. The City shall fully comply with the appropriate Fair Labor Standards Act's Regulations regarding the payment of overtime.

### a) Overtime.

Overtime shall be defined as all paid hours in excess of forty (40) hours worked in a workweek (see Exhibit B, Example A). Except in the event of an emergency, the maximum number of hours an employee may work in any one 24-hour period is 12 hours.

The City shall define the workweek (fixed and regularly recurring period) for purposes of overtime.

An employee who works on a holiday shall be compensated at the overtime rate for all hours worked on the holiday in addition to eight (8) hours holiday pay (see Exhibit B, Example B).

All paid time shall count as time worked when determining overtime (see Exhibit B, Example A).

### b) Flex Scheduling

Flex scheduling is defined as an occasional adjustment to an employee's work schedule which does not alter the total number of hours scheduled to be worked per week, but simply alters the time of day those hours are worked.

For employees in the classifications listed in Exhibit C, the City and the employee shall be allowed to reasonably flex or change the work schedules for these employees in order to minimize overtime expenditures and facilitate an employee's ability to balance work with other aspects and obligations in accordance with the following procedures. The primary, but not exclusive, use of this provision is for the scheduling of evening meetings, special events, and occasional necessary work that cannot be performed during an employee's regular schedule. Flex scheduling shall not be used where the City determines that an alternative schedule pursuant to Administrative Policy Chapter 3, Article 39 or special work schedule in accordance with the provisions of MOU Article 20.1 is more appropriate to address on-going City needs.

1. The flex schedule must occur within the employee's regular 40 hour workweek, but is not restricted to a specific day or portion thereof. The manager and employee should work collaboratively to flex the employee's schedule in a manner that satisfies the City's needs and also reschedules the employee's work to a time agreeable to the employee. The manager shall make the final determination. If an employee feels that a manager is not working collaboratively on flex scheduling, the employee may refer the matter to the Human Resources Director.
2. An employee should be informed about the need for a flex schedule with as much notice as is reasonably possible consistent with best practices.
3. No permanent change in work schedules are permitted under this provision.
4. No employee shall be put on a schedule that mandates the employee routinely stay late when there is no evening meeting, special event or occasional necessary work.

This Article shall not prohibit any employee covered by this MOU to voluntarily flex their schedule on a temporary basis, subject to the approval of their supervisor.

During the term of this MOU, the City or the Union may meet and confer over the issue of overtime, flex time and exempt status designation.

## **16.5 Out-Of-Class Pay/Special Assignment**

### a) Out-of-Class Pay

Employees who are temporarily assigned to perform substantially all functions of a higher classification and work in such classification for 5 or more consecutive work days shall be compensated at five percent (5%) above the employees' normal pay rate or the first step of the higher level classification, whichever is greater. Assignments may be made to employees who are capable of performing the work of the higher-level position whether or not they have attained a particular formal educational level or experience requirements. Such assignments will be assigned on an as-needed basis and when the higher classification is a budgeted vacancy or temporarily unfilled due to the incumbent's absence for vacation or other approved leave.

Such out-of-class assignment pay shall be based on the full period of actual hours worked during the out-of-class assignment and received for the full period of time in which the employee works in the out-of-class assignment or any management or supervisory class, and provided that such higher assignment and related compensation has been authorized in advance by the employee's manager or designee and has been processed by the Human Resources Department. Out-of-

class assignment pay shall not be paid for Paid Time Off, holidays, Paid Medical Leave or any other leave during the out-of-class assignment; nor, shall such leave days be considered a break in the out-of-class assignment.

Out-of-class assignments shall not be made in increments of less than 5 shifts solely for the purpose of avoiding out-of-class pay.

Out-of-class assignments to a vacant position may not exceed 960 hours within a fiscal year. For the purposes of this section, "vacant position" refers to a position that is vacant during recruitment for a permanent appointment.

b) Special Assignment

The Department Director may authorize a temporary pay adjustment for an employee given a specific temporary special assignment clearly beyond the scope of their regular job description, or additional duties and responsibilities outside the employee's existing job description while also performing their regularly assigned responsibilities. Special Assignment Pay is intended to provide additional compensation for employees who are assigned, in writing, additional duties and responsibilities while also performing their regularly assigned responsibilities.

The request for Special Assignment Pay shall clearly state the additional duties and responsibilities of the assignment, justify why it is to be performed by the designated employee, and give a specific duration for completion of the assignment with start and end date. Special Assignment Pay is five percent (5%) above the employee's regular rate of pay for the period of time in which the employee works in the assignment. The special assignment and related compensation may end at any time at the discretion of the Department Director. Special Assignment Pay is not reportable compensation to CalPERS.

The Department Director shall monitor the special assignment to ensure it is appropriately warranted.

Special Assignment Pay shall not be recommended or authorized unless the assignment will continue at least one (1) work day. Special Assignment Pay will not take effect retroactively. Special Assignment Pay will not be paid when an employee is on Paid Time Off, holidays, Paid Medical Leave or any other leave during the special assignment; nor, shall such leave days be considered a break in the special assignment. The Special Assignment Pay will be discontinued on the date originally identified for completion of the assignment, unless an extension of specific duration is approved by the Department Director prior to the end of the original assignment end date. Special assignments may not exceed one calendar year.

## **16.6 Bilingual/Translator Pay**

Employees are entitled to receive, in addition to their regular compensation, twenty-five dollars (\$25.00) per week) for Bilingual/Translator skills if they meet the following criteria:

- a) Certification by a provider contracted through the Department of Human Resource that the employee possesses the needed language skills at an acceptable skill level; and
- b) Certification by the director of the department that the particular assignment of the employee involves need for the required skills on a regular and frequent basis.

Bilingual/Translator Pay shall not be paid if an employee is on unpaid leave for the full pay period. Bilingual/Translator Pay will not necessarily continue if the employee is transferred or promoted.

Qualifying languages are: Cantonese, Japanese, Mandarin, Sign Language, Spanish, Tagalog, Thai, Vietnamese, Farsi, and other language(s) deemed appropriate by the City.

## **16.7 Hazardous Duty Pay**

After Hazardous Duty Pay is rolled into base pay, the language describing hazardous duties below shall no longer apply to SEA/Local 21.

The City and SEA/Local 21 also agree that the job descriptions for all classifications having Hazardous Duty Pay rolled into base pay shall be updated to reflect the job duties that justified the Hazardous Duty Pay.

Following are some example of duties considered as hazardous duty:

Use of mechanical, hydraulic or pneumatic boom equipment for high electrical or mechanical work;

Use of climbing equipment for high pole work;

Existing ventilation is insufficient to remove dangerous air contamination and/or oxygen deficiency which may exist or develop; and

Ready access or egress for the removal of a suddenly disabled employee is difficult due to the location and/or size of the opening; and

Dangerous Air contamination” and “oxygen deficiency” are used as defined in Title 8, Article 108, Section 5156 of the California Occupational Safety and Health Code.

As used in this Article, “high” means that the nature of the work requires the employee to operate at a height above the ground that presents a danger of injury from a fall.

Employees in the following classifications shall receive a 1.5% hazardous duty differential over their regular base pay, regardless of the duties listed above. Employees in classifications below marked with a “\*” shall receive a 1.5% hazardous duty differential effective August 21, 2022, regardless of the duties listed above and subject to the provisions above that this premium will then be immediately rolled into base pay.

### **16.9 Standby Duty and Compensation**

Standby duty is defined as that circumstance which requires the employee so assigned to:

Be ready to respond in a reasonable time to calls for service;

Be readily available at all hours by telephone, or other communication devices, and

Refrain from activities which might impair their assigned duties upon call.

Standby duty rotation shall be assigned by a management supervisor or designee in writing according to the following terms and conditions;

Standby rotations and schedules shall be determined with as much advanced notice as practicable.

The trading of standby rotation slots, days, or shifts may be allowed at supervisor’s discretion, with advanced notice and notification to the proper dispatching agent.

One shift of standby duty worked is defined as a period spent by an employee either standing by or working while on standby duty, lasting approximately 8 hours per day. Each standby duty rotation has a maximum of 3 paid shifts per day, and at no time shall 3 total paid shifts per day be exceeded, including situations that might arise from shift trades.

An employee is not considered to be on standby duty during the time overlapping that employee's own regular hours (excepting holidays) or during a time that another employee on their regular hours is covering that Division's on-call duties.

Standby duty rotation shall be compensated according to the following rules:

1 hour of compensation at the overtime rate for each shift of standby duty worked; plus

3 hours compensation at the overtime rate on completion of 14 consecutive shifts of standby duty worked.

On City observed holidays, standby shall be compensated at the rate of 1.5 hours at the overtime rate for each shift of standby duty worked.

For standby on a weekend (defined as the end of the employee's regular shift on Friday and the beginning of the employee's regular shift on Monday), bonus standby pay is paid on completion of 3 consecutive shifts of Standby Duty, at the rate of 1 hour of compensation at the overtime rate. An employee on Standby for Saturday would receive 1 hour at the overtime rate for Saturday;

an employee on Standby for Sunday would receive 1 hour at the overtime rate for Sunday; an employee who was on Standby for both Saturday and Sunday would receive 1 hour for each day; for a maximum of 2 hours for a weekend of standby duty.

Standby hours shall be recorded on the employee's timecard by using the "Standby" pay code.

#### **16.10 Call-Out Duty and Compensation**

An employee who is assigned to standby duty pursuant to the Standby Duty and Compensation provisions of this Agreement, and is directed to return to work, shall be compensated beginning at the time employee receives the call, and ending at the time the actual city work is complete (travel time home is not payable under this policy), or by a minimum payment of 1.4 hours at the overtime rate. However, time allowed for travel from the time of the call to the work site shall not exceed any time limit established by a department or division for response time and standby eligibility provided that such time limit shall not be less than 30 minutes. For example, ESD water distribution currently requires that an employee on standby be able to respond to calls on location within 30 minutes; travel time for such an employee would be the lesser of actual travel time or 30 minutes.

If a new call-out is received prior to the completion of the previous call-out assignment, the new call-out will be considered a continuation of the previous call-out, and no additional minimum shall apply.

When assigned to standby duty on a City observed holiday, the call-out minimum shall be two (2) hours at the overtime rate.

Employees who do not return to work but who are contacted by telephone and are required to respond shall be paid a call out minimum of 30 minutes at the overtime rate, provided such calls occur between 11:00 p.m. and 4:00 a.m., or shall be paid for actual time worked at the overtime rate, whichever is greater. For calls that occur outside of the above referenced time period, employees shall be paid for the actual time worked at the overtime rate.

Call-Out hours shall be recorded on the employee's timecard by using the "Call-Out" pay code.

### **16.11 Call Back Pay**

An employee who is not on standby duty pursuant to Article 16.9, and who has completed their work day and has left the work site and is ordered to return to duty following the employee's normal work day ("called back"), shall receive call back pay beginning at the time the employee begins responding to the call, which is generally the time of the call, and ending at the time the actual city work is completed (travel time home is not payable under this policy), or a minimum payment of two (2) hours at the overtime rate if each of the following conditions is met:

The order to return to work occurs following the termination of the employee's normal work shift on the day the return is required,

The return is necessitated by unanticipated work requirements, and

The employee actually returns to work (i.e. defined as physically returning to work).

An employee who receives a "call back minimum" and who leaves work, shall not receive another "call back minimum" if they are again called back to work within two (2) hours of the previous call back.

An employee who is ordered to begin their shift up to two (2) hours prior to the normal starting time shall not be eligible for call back pay for that early call back.

Employees who do not return to work but are contacted by telephone, pager, or computer, shall not be paid a call back minimum, but shall be paid for actual time worked at the overtime rate. Employees who are listed on a City emergency call list and who are called to respond in an emergency situation are deemed authorized by

virtue of their inclusion on the emergency call list to respond directly to the emergency call and are not required to obtain additional authorization prior to either an over-the-phone, computer, or in-person response.

Call-Back hours shall be recorded on the employee's timecard by using the "Call-Back" pay code.

### **16.12 Court Pay**

When scheduled and required by the City to appear in court on the employee's regularly scheduled day off, an employee shall modify their work schedule so that the City-related court duties occur during the employee's work time. In those situations where the work schedule cannot be modified, an employee shall receive a minimum of four (4) hours at the overtime rate if the following conditions are met:

The court appearance occurs either during the employee's scheduled day off, or between shift duty for employees scheduled on the graveyard shift.

For the purpose of this Article, the graveyard shift is defined as any shift beginning between 7:00 p.m. and 12:00 midnight.

### **16.13 Emergency Overtime for Employees/Rest Period**

If an employee is required to respond to an emergency call that requires him/her to work more than twelve hours within a twenty-four-hour period, the employee shall be entitled to an eight hours rest period prior to returning to work. If any portion of the rest period occurs during the employee's regular schedule, the employee shall receive regular paid compensation for that time.

This section shall not apply to a declared disaster or period of emergency as determined by the City Manager.

### **16.14 Class A and B Driver's License Compensation**

Employees who are required to possess and maintain a Class A or B California Driver's License shall receive an additional \$100 per month (\$23.08 per week). Such payment shall not be made for any period of time when the employee's license is suspended or revoked, or the employee is determined to be unable to operate a commercial vehicle due to a lapsed DMV commercial driver medical clearance or as a result of removal from safety-sensitive functions by a medical review officer, due to a positive DOT-mandated drug or alcohol test.

### **16.15 License Reimbursement**

Employees who are required by the City to maintain a Class A or B California Driver's License and who successfully renew their driver's license or acquire a new license upon starting a new assignment requiring a Class A or B Driver's License shall, upon submission of a receipt by the employee, be reimbursed by the City for the difference in cost between such license and a California Class C Driver's License.

### **16.16 Shift Differentials**

Employees regularly assigned to swing, graveyard, or rotate shift (i.e. relief on day, swing or graveyard shifts [R1] or relief on swing and graveyard shifts [R2]) shall be compensated with a 5% differential. Shift differentials will continue when employee is on paid leave.

### **16.17 Trainer Compensation**

An employee in the classification of Community Service Officer (CSO) who is selected and designated by the Department of Public Safety Management as a CSO Training Officer shall be compensated at five percent (5%) above the employee's normal base pay. A maximum of two (2) CSOs shall be selected and designated as CSO Training Officers at any one time, and receive the trainer compensation. Trainer compensation shall be paid for all working hours including overtime, and leave time taken.

The selection, designation, and un-designation of CSO Training Officer shall be based upon operational need by the Department of Public Safety Management.

## **Article 17 INSURANCE PLANS**

The City shall continue to provide group Medical, Dental, Vision, Life/AD&D, long term disability insurance plans, and the Employee Assistance Program. Any health plans for which the City contracts directly with the provider, prior to changing the provider or the level of benefits, the City shall first give the Union the opportunity to meet and agree concerning such changes.

The City shall contribute the medical and cafeteria plan contributions as provided in Section 17.1 toward Medical, Dental, and Vision. The medical plan contribution shall be applied to medical premium only. The cafeteria plan contribution shall be applied first to any remaining unpaid medical premium, then toward the premiums for dental and vision insurance.

### **17.1 Medical Insurance**

The City's contribution to the medical and cafeteria plans will be as follows:

- a) Calculate 80% of the average of the family monthly premium for Region 1 (Bay Area) CalPERS Blue Shield Access+ HMO and the CalPERS Kaiser HMO plan.

#### 2022 Calculation

Kaiser	\$2,228.36 per month

- d) Due to the administrative timing requirements for CalPERS to adopt and implement the desired changes set forth in section 17.1.e), the increased contribution amount of \$2,180.24 described in section 17.1.c) will be allocated \$1,005.48 per month as the City Medical Contribution and \$1,174.76 per month as the City Cafeteria contribution, for a total of \$2,180.24 per month for the period from August 21, 2022 through the pay period before the pay period that includes October 1, 2022.
- e) Effective the pay period that includes October 1, 2022, the City's contribution to the medical and cafeteria plans will continue to be calculated at 85% of the average of the family monthly premium for plan as described in section 17.1.c) (i.e., \$2,180.24 per month), but with the contribution instead allocated 49% medical contribution and 51% cafeteria plan as follows:

Any amount in the formula increase that will exceed a 5% increase in the medical contributions shall be allocated to the cafeteria plan contribution.

2022 Calculation effective the pay period including October 1, 2022

Medical -	\$1,015.75 per month
Cafeteria -	\$1,164.49 per month
Total contribution	\$2,180.24 per month

- f) Cafeteria Plan contributions may be used by employees to purchase both taxable and non-taxable benefits including medical premiums, dental premiums, family vision premiums, and supplemental life/AD&D premiums. Cafeteria plan contributions shall not be used to purchase supplemental life/AD&D premiums. Supplemental life/AD&D premiums will be paid by employees.

There shall be no cash payments for any unused Cafeteria Plan contributions.

- g) Medical, dental, and vision premium contributions are paid for on a pre-tax basis; however, the City agrees to continue to provide employees with an option to pay their insurance premium contributions on a post-tax basis, to the extent permitted by the Internal Revenue Code. Effective with the implementation of the ERP, premium contributions and deductions will be paid twice per month rather than bi-weekly.

**17.2 Cash In-Lieu of Medical Coverage**

Cash in-lieu of medical coverage is no longer offered.

**17.3 Dental Insurance**

Dental insurance at the current benefit level will continue to be provided. The City contribution for dental insurance shall be as provided in Section 17.1.

Dental insurance is available for enrollment the month following an employee's date of hire.

**17.4 Vision Insurance**

Vision insurance at the current benefit level will continue to be provided; such coverage includes a deductible that the employee must pay at the time of service. The City will contribute the full cost of the premium for employee and up to one dependent as part of the City's Cafeteria contribution effective with the implementation of the ERP. City family coverage contribution is provided in Section 17.1(d).

### **17.5 Employee Assistance Program**

The Employee Assistance Program will continue to be provided. Enrollment is mandatory, and the premium is fully paid by the City.

### **17.6 Registered Domestic Partners**

SEA/IFPTE Local 21 and the City shall comply with State and Federal law regarding the provision of Registered Domestic Partner benefits.

### **17.7 Life/AD&D and Long-Term Disability Insurance**

The City shall provide Life and Accidental Death and Dismemberment (Life/AD&D) insurance for each employee in an amount equal to that employee's annual base salary, up to a maximum coverage of \$175,000.

Such insurance shall be at no cost to the employee, except that, insurance amounts above \$50,000 provided by the City shall be subject to tax law provisions.

At the time of hire, an employee may purchase supplemental Life/AD&D insurance in an amount equal to the employee's annual base salary, up to a combined maximum coverage of \$175,000.

Current employees, who did not purchase supplemental Life/AD&D insurance at the time of hire, may purchase supplemental Life/AD&D insurance during open enrollment in an amount as provided in the above paragraph, subject to approval by the carrier.

The City shall also provide Long Term Disability insurance that provides 67% of the employee's annual base salary to a maximum of \$11,000 per month of paid benefits, subject to the terms of the contract with the carrier.

### **17.8 Dependent Care**

The City shall continue to provide a plan in accordance with the Internal Revenue Code Section 129 allowing employees to qualify for pre-tax dependent care savings.

### **17.9 Health Care Reimbursement Account**

The City shall continue to provide a plan in accordance with the Internal Revenue Code Section 125 that provides an option for employees to pay for health care expenses on a pre-tax basis.

### **17.10 Short-Term Disability Insurance**

The parties contemplate that SEA/IFPTE Local 21 will explore alternative short-term disability plans, including the California SDI program. Nothing herein shall preclude the parties from implementing by agreement a short-term disability plan. If SEA/IFPTE Local 21 selects the State SDI program, it will be adopted with an integration feature. In the event there is no agreement between SEA/IFPTE Local 21 and the City regarding the implementation of a plan other than SDI, and the City is preparing to implement a short-term disability insurance program with its management group, the City will provide notice and relevant information to SEA/IFPTE Local 21 prior to implementing such short-term disability program with respect to SEA/IFPTE Local 21. The City will provide an opportunity for input, but formal bargaining (per GC § 3505) will not be required.

### **17.11 Affordable Care Act**

At such time as regulations are issued implementing the Affordable Care Act (ACA), the City and the Union will meet and confer to review the impact of such regulations on the benefit plans then in force. If modifications to the health benefits, eligibility for coverage, employer or employee contribution to the cost of insurance or any other provisions of the benefit plans covered by this MOU will be modified by the ACA during the term of this agreement, it is agreed that the City and the Union will meet and confer how such mandated changes will be implemented. In the event of meet and confer, the City will not unilaterally impose changes that would cause a reduction in City contributions towards benefits.

## **Article 18 LEAVES**

The following employee benefits, as they are set forth in the City's Salary Resolution, are included by reference in this Agreement:

- Leave Benefits
- Leave Authorization
- Leave Benefits; To Whom Applicable
- Leave Payment
- Leave Substitution
- Special Schedule - Holiday Leave

### **18.1 Paid Time Off**

a) Definition

Paid Time Off (PTO) is paid leave earned by employees that may be used for vacation, medical appointment, illness/injury, emergency, or personal business such as care of sick family members or school visits or similar appointments. Leaves not included in PTO which remain separate leaves are bereavement, jury duty, military duty, workers' compensation, floating holiday and holiday.

b) Accrual

All probationary and regular employees shall accrue PTO. PTO begins accruing on the first day of employment and is prorated on an hourly basis for each paid hour. All regular paid hours shall count toward PTO accrual. Time-off in excess of PTO accruals and other available leave shall be leave without pay. As employees use PTO, the time used shall be deducted from the employee's current PTO balance.

c) Accrual Rates

Employees shall accrue PTO each pay period in relation to their years of continuous service.

The Accrual rates are listed below:

<b>Pay Periods of Service</b>	<b>Years</b>	<b>Hours/Pay Period</b>	<b>Accrual Rate Hours/Year</b>
1-25.99	0 to 1	5.5	143
26-129.99	1+ to 5	6.5	169
130-259.99	5+ to 10	8.0	208
260-441.99	10+ to 17	9.5	247
442-649.99	17+ to 25	10.5	273
650 or more	25 or more	11.0	286

Accruals carry over from one payroll calendar year to the next.

For new hires, the City Manager may authorize a higher accrual rate within the PTO accrual table.

d) PTO Accrual Cap

An employee may accrue up to 885 hours of PTO. An employee will no longer accrue PTO once the employee reaches the 885 hours cap until the employee uses PTO to reduce the employee's leave balance, or the employee cashes-out PTO time as provided in this Article.

e) Scheduling PTO

Employees use 8 hours of PTO leave to take a full day of leave on a 40-hour schedule. An employee on an alternative work schedule shall use the number of hours relevant to the alternative work schedule to take a full day of leave. An employee may take scheduled or non-scheduled PTO in increments of less than one full day. PTO may be taken in either of two methods, scheduled and non-scheduled, as follows:

1. Scheduled PTO

All employees may take scheduled PTO. Except for illness or emergency, all PTO shall be pre-planned and pre-approved in accordance with any applicable department, division and/or City policy.

2. Non-Scheduled PTO

All employees may take non-scheduled PTO for an unanticipated illness or emergency. On the day of the absence, an employee, or someone on the employee's behalf, must provide notice of non-scheduled PTO at or before the start of the employee's scheduled work day. The notice must designate the absence as either an illness or an emergency. The City may take disciplinary action against an employee who fails to provide notice, uses non-scheduled PTO for a reason other than unanticipated illness or emergency or circumvents the scheduled PTO process.

An employee's routine use of non-scheduled PTO might cause the City to suspect leave abuse and initiate an investigation. This investigation could include but is not limited to requesting that the employee obtain a physician's note concerning an illness which the City suspects is part of a pattern of leave abuse or if the City has information that the employee may not have been ill or injured.

3. Return to Work Following Illness or Injury

The City may require, with approval by the Human Resources Director or the Director's designee, a return to work medical clearance for any employee using PTO due to an illness or injury if the employee is absent more than five (5) consecutive days.

f) PTO Cash-Out

Each employee in a classification represented by SEA/IFPTE Local 21 shall be required to submit an irrevocable election form in the preceding calendar year specifying the number of hours of Paid Time Off that the employee will irrevocably elect to cash out in the following calendar year.

The parties agree to meet and discuss an IRS qualifying exception for cases of extreme hardship.

One time each year, each employee may cash-out accrued PTO on the last pay day in October.

An employee may cash-out up to 100 hours of PTO each year, so long as the employee maintains a balance of at least 120 hours.

The City will compensate the employee for the cashed-out hours at the employee's base pay rate at the time of the cash-out. The minimum number of hours that may be cashed out is 8 hours.

g) PTO Compensation at Separation

An employee will be paid for all PTO hours in the employee's leave bank upon separation. The PTO will be paid at the employee's base pay rate at the time of separation. An employee, at the employee's option and with City Manager approval, may use accrued available PTO to extend the date of separation or retirement.

h) PTO Donation

An employee may donate PTO to another City employee who has experienced a serious illness or injury that is not fully covered by the injured or ill employee's PTO and/or other City leave programs, consistent with the City-Wide Employee Emergency Relief Fund Program set forth in Article 19.3.

## **18.2 Holiday Leave**

Holidays for employees include:

New Year's Eve  
New Year's Day  
Martin Luther King Jr. Day  
Presidents' Day  
Memorial Day  
Independence Day  
Labor Day  
Thanksgiving Day  
Day after Thanksgiving  
Christmas Eve  
Christmas Day

Holiday leave is taken in full day (8-hour) increments. A maximum of 8 hours of holiday leave may shall be recorded for any single work day (see Exhibit B, Example C).

a) Library Employees

For holidays observed by the City, Library employees shall be assigned to work the holiday by first asking for volunteers and then by filling the remaining needed assignments by rotating equally among all qualified employees.

b) Holidays and Alternate Work Schedule

Holiday leave is for eight hours per holiday. When a holiday falls on a day when an employee working an alternate schedule would normally work more than eight hours a day, that employee shall have the option, subject to approval of the employee's supervisor, of making up the difference between the eight-hour holiday and their normal workday by working the additional time during the same workweek during which the holiday falls. A supervisor's denial of this option must be based upon operational need. Employees who do not take this option will be required to use accrued/banked paid leave to make up for the additional time-off on the holiday. (See Exhibit B, Example C)

In the event that a City-observed holiday falls on an employee's non-scheduled workday, the holiday hours that the employee would otherwise receive will be automatically credited to that employee's floating holiday leave bank, unless the employee takes another day off that workweek subject to supervisor approval or receives holiday pay. Any remaining floating holiday balance will be automatically cashed out at the end of each payroll calendar year. (See Exhibit B, Example D)

Any paid City holidays, which occur on employee's non-scheduled workday, shall not be counted as hours worked for determination of overtime for that workweek. (see Exhibit B, Example D).

When an employee takes an entire workweek off for any reason and the holiday occurs on the employee's non-scheduled workday, it shall not generate any overtime pay or more than 40 regular hours of pay for the workweek under any circumstances. Employee is required to record 8 hours of holiday leave on the time card for each of the holidays occurring within that workweek, and reduce the corresponding number of hours from other paid leave. (See Exhibit B, Example E)

c) Floating Holidays

Employees shall be credited with thirty (30) hours of floating holiday leave on the first day of the first pay period in the payroll calendar year.

Newly hired employees shall be credited with a pro-rata share of floating holiday hours, based upon the proportion of the calendar year remaining after their date of hire.

Use of floating holiday leave shall be subject to approval in advance by the employee's supervisor.

Employees separating City employment shall have their allotment of floating holiday leave for that year pro-rated based upon their date of separation.

Any employee who has used less than their pro-rated allotment for the portion of the calendar year worked, shall have the remaining balance paid on their final paycheck.

Any employee who has used more than their pro-rated allotment for the portion of the calendar year worked, shall have the overage offset against any available accrued leave, on the final paycheck. The employee may also authorize the deduction from their final compensation. If the employee's final paycheck is insufficient to repay the overage, the employee shall reimburse the City immediately.

Unused floating holiday leave at the end of the payroll calendar year will be mandatorily cashed out.

### **18.3 Bereavement Leave**

Employee shall be entitled to bereavement leave with pay in an amount not to exceed forty (40) work hours for each death occurring to a person on the list below.

To qualify for bereavement leave, the death must occur to an employee's spouse or registered domestic partner, father, mother, step-father, step-mother, son, daughter, brother, sister, grandparent, great-grandparent, grandchild, or great-grandchild; or to the father, mother, step-father, step-mother, son, daughter, brother, or sister, grandparent, great-grandparent, grandchild, or great-grandchild of an employee's spouse or registered domestic partner, or an individual that the employee or spouse have legal guardianship over.

A death certificate is sufficient to demonstrate qualification for bereavement leave for any relationship.

Except as provided herein, all bereavement leave must be used within twelve (12) calendar months of the date of the eligible incident, and in increments of one (1) day.

The department director may approve requests for leave usage in less than full day increments; provided that the decision on such usage is not grieveable.

The City reserves the right to require proof of death from the employee.

#### **18.4 Jury Leave**

An employee is entitled to jury leave subject to conditions and limitations contained in the Administrative Policy Manual as the same exists or is amended hereafter, subject to meet and confer obligations.

#### **18.5 Military Leave**

Employees assigned to active military duty are entitled to military leave in accordance with the provisions of applicable State and Federal laws, and the Administrative Policy Manual as the same exists or is amended hereafter, subject to meet and confer obligations.

#### **18.6 Paid Medical Leave (PML)**

Employees may be authorized up to forty (40) hours of non-accrued interim PML (for illness or injury) from the date of employment for the first twenty-six (26) pay periods; provided, however, that at the conclusion of the twenty-sixth (26th) pay period the interim PML shall terminate, including any unused amount. The total allowable interim PML for employees for work-related and non-work related illness/injury combined is forty (40) hours during the first year of employment.

Employees qualify for PML after completion of twenty-six (26) consecutive pay periods from the date of original appointment. Effective the first full pay period following ratification and approval by the City Council, employees shall be required to use accrued/banked paid leave for the first 120 hours of any absence for the illness or injury. Following the employee's use of accrued/banked paid leave for the first 120 hours, the City will cover the remaining time period in PML for the same illness or injury for the employee up to 90 calendar days of paid leave for the same illness or injury. After 90 calendar days, the employee shall be eligible to apply for Long Term Disability coverage provided pursuant to the City's insurance policy.

#### **18.7 Compensatory Time Off**

An employee may select compensatory time off (CTO) in lieu of cash compensation for overtime required to be worked under Article 16.4.

Compensatory time shall accrue at the rate of time-and-one-half for each hour of overtime.

At any given time, an employee may not have a current CTO accrual balance of more than one hundred (100) hours.

An employee may cash out compensatory time hours in the employee's compensatory time leave bank over 60 hours. This will cease with calendar year 2023.

Effective for calendar year 2023, an employee must submit an irrevocable election form in the preceding calendar year specifying the number of compensatory time hours that he/she will irrevocably elect to cash out in the following calendar year to be eligible to cash-out any compensatory time hours in the following calendar year. Compensatory time hours may then be cashed out in the following calendar year so long as there are sufficient available banked compensatory time hours at the time of the subsequent cash-out request. Cash out will be paid on the last pay day in October.

### **18.8 Accrued/Bank Leave usage**

All accrued/banked leave (including, for example, but not limited: Paid Time Off, Compensatory Time Off, Floating Holiday) may be used by an employee for scheduled and unscheduled time off, consistent with the department and administrative policies for approval process.

## **Article 19 ADDITIONAL BENEFITS**

### **19.1 Workers' Compensation Benefits**

#### a) Salary Continuation

Employees unable to work due to a qualified work-related injury shall be placed on workers' compensation leave (WC leave). During the first 60 days of such leave, employees will be entitled to receive two-thirds of their salary (untaxed income in accordance with state and federal law) as workers' compensation benefits and one-third of their salary (taxed income) through the City's salary continuation program. During this salary continuation period, employees shall receive the same benefits, service credit and seniority rights as they would if working. This salary continuation benefit is only available to employees who have completed 26 pay periods of service.

#### b) Waiting Period

There will be no waiting period before workers' compensation benefits or salary continuation begins for a qualified WC injury or illness.

#### c) Leave Supplement Option

From the 61st day and continuing on WC leave, the employee shall receive two-thirds of their salary as workers' compensation benefits paid by the City's third-party administrator. Salary continuation will cease, but employees shall have the

option to use accrued/banked paid leave in order to receive their full salary. Employees shall not be required to use accrued/banked paid leave during this time. Employees who are out on a WC leave for more than 90 days will be placed on Long Term Disability (LTD) status and can apply for Long Term Disability insurance benefits. WC temporary disability benefits continue during this period.

d) Medical Appointment

If follow-up treatments and medical appointments are required to treat the work-related injury or illness after an employee returns to work from WC leave, the employee is entitled to use up to two hours of workers' compensation appointment leave (paid time) for each appointment. Such paid medical leave appointments shall be allowed until the employee is declared permanent and stationary by the treating physician. Once such designation has been made, the employee will be required to use accrued/banked paid leave for any further medical appointments.

e) Health Benefits

During WC leave, health premiums are paid in the same manner as they are while the employee is working: one month in advance. If the employee is out for more than 60 days, the premium for days 61-90 would be covered from the prior month's premiums. After 90 days off work, when the employee is on LTD status, the employee will be on direct pay for health insurance.

f) Seniority

Employees will accrue full seniority for the first 90 days of WC leave regardless of whether they use accrued/banked paid leave to supplement WC benefits. After 90 days on WC leave, the accrual of seniority will cease as the employee would be on LTD.

g) CalPERS Service Credit

Employees will accrue service credit while on salary continuation during the first 60 days off work. Service credit is not accrued once salary continuation ends unless the employee opts to use accrued/banked paid leave. If the employee uses accrued/banked paid leave, service credit will only accrue for the actual accrued/banked paid leave hours used. However, CalPERS gives credit for a full year as long as the employee is in full paid status for 10 months of the fiscal year.

## **19.2 Tuition Reimbursement**

Employees are eligible for tuition reimbursement as provided in the City's Administrative Policy and shall be limited to a maximum reimbursement of \$1,500

per employee per fiscal year. Such reimbursement shall be provided according to the following criteria:

- a) Courses, certificates or course taken towards a degree program directly related to present position or directly related to potential promotional position are reimbursable at 100% of the course cost.
- b) Courses required for an Associate, Bachelor or Graduate degree program unrelated to the employee's present or potential promotional position are reimbursable at 50% of the course cost

No reduction of City services will result due to the tuition reimbursement program.

### **19.3 City-Wide Employee Emergency Leave Relief Fund**

The City-Wide Employee Emergency Leave Relief Fund is a program that allows an employee who has leave hours accrued, the opportunity to donate a portion of their accrued leave to benefit another employee needing paid emergency leave.

To benefit from this Fund, the receiving employee must be eligible to accrue City paid leave time, must have used all available accrued leave and must have a personal emergency that requires the employee to be on leave from work responsibilities to attend to the emergency.

As with any leave of absence, the absence must be pre-approved by the employee's management supervisor or designee.

To receive relief hours from the Fund, the employee, a member of the family or a friend, must submit a written request to the City Manager or designee stating the hours needed and briefly explaining the circumstances of the emergency requiring use of hours from the Fund.

Rules and procedures defining the use of this Fund shall be promulgated by the City Manager or designee. Any changes to the policy are subject to the meet and confer process.

### **19.4 Jackets-Water Pollution Control**

It is agreed that the City will provide 2 insulated wind breaker-type jackets with a zipper front for employees in the Water Pollution Control Operator series and the Water Pollution Control Plant Maintenance Mechanic series. It is further understood that the employees will leave the jackets at the Water Pollution Control Plant when they are off duty.

### **19.5 Safety Footwear**

Each employee required by the City to wear safety footwear (see Exhibit D) shall be required to purchase and wear OSHA-approved safety footwear and shall receive an allowance for the purchase of such footwear. The Human Resources Department shall maintain the listing of eligible classifications/positions, and shall post the list on the City's intranet site. If an employee's manager determines that an employee who is not on the list should have safety footwear, the manager shall provide the information to the Human Resources Department, and if the Risk Manager approves, the employee shall promptly be added to the list.

The maximum allowance shall be two hundred and twenty-five dollars (\$225.00), and may be used for more than one pair of safety footwear. Effective the first full pay period in July following ratification and approval by the City Council, the amount shall be two hundred and seventy-five dollars (\$275.00). The amount shall be posted on the City's intranet site along with other employee benefits.

The allowance shall be paid at the end of the first full pay period in July of each year to those active employees in classes requiring safety footwear or for employees hired after that time, during the first full pay period of employment. Should an employee use accrued available leave time to extend the date of separation or retirement, and should the utilization of leave time cross July 1, the employee shall not receive any safety footwear allowance for the new fiscal year.

## **19.6 Tool Allowance**

Effective the first full pay period in July following ratification and approval by the City Council, the Lead Equipment Mechanic, Equipment Mechanic, Equipment Mechanic-In-Training and Fleet Services Coordinator classifications shall receive a tool allowance of \$450 per fiscal year. Such allowance represents the full compensation for tools, including replacement of lost or broken tools except that verified losses which would be subject of the City's property damage coverage such as losses from fire, break-in and/or theft, and vandalism are excluded from this limitation.

The allowance shall be paid at the end of the first full pay period in July of each year to those active employees in the classifications listed above, or for employees hired after that time, during the first full pay period of employment. Should an employee use accrued available leave time to extend the date of separation or retirement, and should the utilization of leave time cross July 1, the employee shall not receive any tool allowance for the new fiscal year.

Tool allowance will be reported as special compensation subject to CalPERS' determination.

This provision does not apply to Water Pollution Control Plant Mechanics.

The City shall provide a minimum set of tools for each of the employees in the classifications of Plant Mechanic and Senior Plant Mechanic employed at the Water Pollution Control Plant, as specified in Exhibit E.

### **19.7 Testing for City Vacancies**

Any employee represented by SEA/IFPTE Local 21, who desires to test for a position advertised and posted by the City, if such a position represents a promotion or lateral transfer, shall be entitled to time off without loss of pay for the period required to take any and all parts of the testing process. Each employee is allowed to exercise this prerogative twice per year, with as much advance notice to their supervisor as possible. Employees who wish to participate in more than two testing processes shall be allowed to do so but shall be required to use accrued leave or take time off without pay to participate in the process.

### **19.8 Direct Deposit**

An employee may directly deposit all or a portion of their net pay to a bank of their choice via direct electronic paycheck deposit.

Each employee desiring this alternative must deliver a signed authorization to the Department of Human Resources requesting such electronic deposit. Along with the authorization requesting electronic deposit, the employee must also file a waiver prepared by the City stating that the employee knows the City cannot control and is not responsible for, the day upon which the employee's bank credits their account with the deposited funds.

The specific procedures for direct deposit shall be as set forth in the City's Administrative Policy.

### **19.9 Commuter Transportation Benefit**

The City shall provide a plan in accordance with the Internal Revenue Code Section 132(f) that provides an option for employees to pay for qualified work-related transportation expenses for mass transit, van pools, and parking on a pre-tax basis. The monthly election limit is regulated by the IRS. This benefit shall be cost neutral to the City.

### **19.10 Reimbursement Procedures**

If either the City or an employee finds an overpayment has occurred, for whatever reason, it is the responsibility of the person discovering the error to bring it to the attention of the other party immediately. The overpayment may be reimbursed over the same amount of time that the overpayment occurred, up to the maximum of one year.

Any employee who receives an amount annually that is designated for work-related attire or equipment that is individual-specific and not capable of being transferred to another employee, and who, having expended the amount received and acquiring and using the item, terminates employment, is not required to reimburse the City a pro-rata amount for the attire or equipment. Unexpended amounts are subject to return upon termination of employment.

### **19.11 Reporting of Special Compensation - Uniforms**

Each employee required by the City to wear a uniform, and who actually wears the uniform during works hours, shall receive a uniform in a manner determined by the employee's department or division. A uniform is defined as clothing which is a ready substitute for personal attire the employee would otherwise have to acquire and maintain. This provision excludes items that are for personal health and safety.

A standardized value, as determined by the City and adjusted annually each fiscal year, for qualified uniforms shall be reported as "special compensation" as required by PERS procedures for employees in tier 1 and tier 2 as defined in Article 15 Retirement. The amount, not to exceed \$550 per fiscal year, shall be posted on the City's intranet site along with other employee benefits.

The City will utilize the April to April CPI-U for the San Francisco Bay Area (San Francisco-Oakland-Hayward), and multiply that number by the current amount reported as special compensation for uniforms to establish the amount for the next fiscal year. The new amount will be reported to CalPERS beginning the pay period that includes July 1 in accordance with CalPERS requirements.

## **Article 20 WORKING CONDITIONS**

### **20.1 Work Schedules**

Individual departments or divisions must adhere to City-wide policies for non-shift personnel. These departments and divisions may not adopt or impose processes or procedures concerning work schedules, other than those related to business necessity and/or job-site safety, which are more stringent than those set forth in City-wide rules and regulations, unless the process or procedure was subject to SEA/IFPTE Local 21 comment before adoption.

An employee(s) may request an alternative work schedule(s) based on the guidelines found in the City's Administrative Policy related to Work Schedules.

This policy specifically allows the establishment of alternative work schedules, including flextime schedules. It also requires that the City establish schedules that are attentive to the needs of individual employees while also assuring prompt, efficient and cost effective public service.

In addition to the present provisions for special schedules for individual employees, the following provisions are made for special schedules for shift personnel at the Water Pollution Control Plant:

A special schedule of varying hours in a bi-weekly pay period may be implemented for all shift personnel (Senior Water Pollution Control Operators, Water Pollution Control Operators, and Operators in Training) upon approval of two thirds (2/3) of the work group, the Department Director and the City Manager.

A special work schedule implemented according to the above procedure may be terminated at the end of a pay period by the City Manager, the Department Director, or upon 2/3 vote of the affected shift personnel upon three (3) weeks written notice to each other.

The City agrees to consider the needs and desires of employees requesting a special schedule. If the City denies a request for a special schedule, then the City will give the employee(s) the reasons for the denial in writing.

## **20.2 Promotional Exams**

The department with an opening shall have the ability to interview and to appoint from among all of the applicants on the Eligible List consistent with the City's applicable Civil Service Rules. In this regard, the following provisions will apply:

For a City-wide promotional, the department may interview as many or as few candidates on the eligible list as it desires.

For a City-wide transfer, the department may interview as many or as few candidates on the eligible list as it desires.

For an open and competitive recruitment, the department may interview as many or as few candidates on the eligible list as it desires.

When the City conducts a City-wide promotional or transfer and an open and competitive recruitment for the same classification, regardless of how many candidates the department otherwise desires to interview pursuant to this Article, it shall interview SEA/IFPTE Local 21 employees who are within the top five candidates on the eligible list.

The parties affirm and accept the City Charter merit system principle.

## **20.3 Reclassification**

An employee may submit a request for a reclassification of their job to the Department of Human Resources and to their supervisor between February 1<sup>st</sup> and March 15<sup>th</sup> of each year.

Such request shall be processed through the employee’s department and submitted to the Department of Human Resources.

Human Resources may decline a request for a study that has been previously reviewed within the past 24 months, unless the employee justifies such new request.

All reclassification submissions and notifications must comply with the timetable indicated below:

<b>Reclassification Requests</b>	<b>Final Filing Date for Department to submit to Human Resources</b>	<b>Final Date for Written Notifications Declining Requests</b>	<b>Completion Date</b>
Request submitted between February 1 <sup>st</sup> and March 15 <sup>th</sup>	March 31 <sup>st</sup> of same year	No later than June 30 <sup>th</sup> of the same year	9 months after submission date of request

Once the study is completed, if the City denies the reclassification of the employee’s job, then the City shall give the employee the reasons for the denial in writing.

Once the study is completed, if the City reclassifies the job, and the employee who submitted the request was eligible to be promoted when the request was filed, the employee shall be appointed to the new position effective the first day of the pay period following the pay period in which the reclassification study was completed and approved. Upon completion of the study, if the employee is not eligible to be promoted, then the appointment shall be effective when the employee becomes eligible.

Change in status will not be implemented retroactively.

**20.4 Reduction In Force**

If the City implements a reduction-in-force that affects employees in this Unit, it will be administered pursuant to the City’s Administrative Policy related to Reduction in Force, consistent with the following concepts:

**SENIORITY:**

Seniority is determined by total pay periods of service with the City, regardless of classification in which employed.

**BUMPING:**

Employees identified for layoff shall have bumping rights to their current or previously held classification within the Unit based on seniority as defined above.

Employees wishing to bump must exercise these rights within seven (7) calendar days after receiving written notification of the layoff, otherwise the bumping rights shall automatically terminate.

Employees must meet the minimum qualifications for the classification and possess the knowledge, skills, and abilities to perform the duties and responsibilities of the specific position.

When the City determines that it must implement a reduction-in-force that affects employees in the Unit, the City shall give the Union reasonable advance notice.

Notice to the employee shall be in writing thirty (30) calendar days prior to the effective date of the layoff.

**20.5 Health and Safety**

City will send the Union a copy of the minutes of the City Safety Committee after each meeting.

City shall make available applicable Material Data Safety Sheet available to affected employees, and provide training so employees will be able to read and interpret these data sheets as required by CalOSHA.

An employee designated by the Union shall be a member of the City-wide Safety Committee, if the Union so designates.

**20.6 Job Sharing**

If requested, the City and the Union shall meet and confer to discuss and implement a job sharing program. The Union understands such discussions may have an impact on another City represented bargaining unit and those unit representatives may need to be consulted prior to any program implementation.

**20.7 Job-Related Work**

Employees shall not be required to do job-related work during break periods. "Job-related work" includes any work set forth in a job description, stated as a component part of a job evaluation, or any work directed to be done by a supervisor or manager.

**20.8 Grievance Procedure**

a) Definitions

Grievance: A grievance is an alleged misapplication of a specific provision of this MOU, or of a specific provision of the Administrative Policy Manual, City Ordinance, or City Code, or departmental policies, rules or regulations, covering wages, hours or other terms or conditions of employment, which alleged misapplication adversely effects the grievant. The content of Employee Performance Audits or disciplinary actions are only appealable as provided in Article F.9 - Disciplinary Appeal Procedure.

Written Grievance: A written grievance is a grievance, as defined above, which has been reduced to writing on a form provided by the City and which shall include the grievant's name, classification, department, immediate supervisor's name; representative's name, if any; the specific section of the MOU, ordinance or code alleged to have been misapplied; a specific description of the alleged grievance with the circumstances supporting the grievant's allegation; and the specific remedy requested to resolve the grievance.

Grievant: A grievant is an employee, a group of employees or the Union. A grievant may file a grievance as defined above. Alleged misapplications which affected more than one employee in a substantially similar manner may, by mutual agreement, be consolidated as a group grievance and thereafter represented by a single grievant.

Work day for this section is defined as Monday through Friday exclusive of holidays.

b) Process

Unwritten Grievance. The grievant shall orally discuss the grievance with their immediate supervisor in an attempt to resolve the grievance.

The supervisor shall give an oral response to the employee within seven (7) work days of the issue being raised by the employee.

Written Grievance.

Level 1

If the grievant is not satisfied with the resolution proposed at the unwritten level, the grievant may, within thirty (30) calendar days from the event giving rise to a grievance or from the date the employee could reasonably have been expected to have had knowledge of such event, file a formal written grievance with their program manager on a form prepared and supplied by the City. The program manager shall, within seven (7) workdays from the receipt of the grievance, meet

with the grievant and give a written response to the grievant on the original grievance form.

#### Level 2

If the grievant is not satisfied with the written response from their program manager, the grievant may, within seven (7) workdays from the receipt of such response, file a grievance with the division-level manager. Within seven (7) workdays of receipt of the written appeal, such manager shall investigate the grievance, which shall include a meeting with the grievant, and give a written response to the grievant on the original form.

#### Level 3

If the grievant is not satisfied with the written response from their division-level manager, the grievant may, within seven (7) work days from the receipt of the response, appeal the grievance to the Department Director. Within seven (7) work days of receipt of the written appeal, the Department Director or designee shall investigate the grievance, which may include a meeting with the grievant, and give a written response to the grievant on the original grievance form.

#### Level 4

If the grievant is not satisfied with the written response from the Department Director, the grievant may, within seven (7) work days from the receipt of the response, file a written appeal to the City Manager or designee. Within ten (10) work days of receipt of the written appeal, the City Manager or designee shall investigate the grievance, which shall include a meeting with the grievant, and give a written response to the grievant, which answer shall be final and binding, except as provided in Article 20.11 - Arbitration.

### c) General Provisions

The time limits set forth herein above are to be strictly followed. Time limits may be waived only by written agreement signed by the parties.

If a grievant fails to carry their grievance forward to the next level within the prescribed time period, the grievance shall be considered settled.

If the original grievance is modified at any step, it shall be considered a new grievance and must be re-filed, treated as a new grievance and subject to all procedural considerations, unless modified in writing by mutual consent of the parties.

If a supervisor or manager fails to respond with an answer within the given time period, the grievant may appeal to the next higher level.

The grievant may be represented by a person of their choice at any formal level of this procedure.

Formal levels may be waived by mutual written consent of the parties.

If the grievant is not represented by the Union, the Union shall be notified of a settlement proposed at any written level of the procedure which is acceptable to both the grievant and the City prior to the settlement being finalized. The purpose of this step is to allow the Union to state its position for the record. If the Union does not provide a written response within seven (7) work days after notification, such opportunity to respond shall be considered waived, and the proposed settlement shall be implemented and the matter closed. If a timely response is made, the City's representative shall give full consideration to the Union's position prior to settlement of the grievance.

By mutual agreement of the parties, a grievance may revert to a previous level of the procedure.

d) Grievance Representative

There shall be a reasonable number of Grievance Representatives in this Unit.

At the request of the grievant, the grievant may be represented by a Grievance Representative.

In instances where the designated Grievance Representative is unable to represent a grievant, the President shall represent the grievant or designate a representative who is on the current list as provided below, to act as a substitute.

Both the Grievance Representative and either the Union President or Vice-President will be allowed to represent at Level 2 or higher.

A Grievance Representative shall be granted reasonable release time to investigate and/or prepare for a grievance procedure and to attend a formal grievance hearing. A Grievance Representative shall be granted reasonable release time to attend an investigative meeting and to act on behalf of an employee facing possible disciplinary action.

A Grievance Representative desiring to leave their work location to process a grievance shall first obtain permission from their immediate supervisor. Release from work shall be made as soon as practical.

A Grievance Representative desiring to enter the work location of a grievant to process a grievance shall first obtain permission from the grievant's supervisor. Permission to enter shall be made as soon as practical.

The Union agrees that whenever a Grievance Representative is involved in grievance activities listed in this Section during working hours, only that amount

of time necessary to bring about a prompt disposition of the matter will be utilized.

The Union shall give the Human Resources Director or designee a list of the names of employees selected as Grievance Representatives, and will immediately notify the Department of Human Resources of any changes.

Only those employees whose names are on the current list shall be granted release time to serve as a Grievance Representative.

## **20.9 Disciplinary Appeal Procedure**

If an employee is to be suspended, demoted, dismissed or have their salary reduced, the employee shall:

Receive written notice of the proposed action stating the date it is intended to become effective and the specific grounds and particular facts upon which the action is based;

Receive copies of any known written materials, reports or other documents upon which the action is based;

Be accorded the right to respond in writing within a reasonable period of time to the proposed charges;

Also, be accorded the right to meet within a reasonable period of time with a manager who has the authority to recommend modification or elimination of the proposed disciplinary action; and

The employee shall be given the manager's written decision within a reasonable period of time.

Employees holding a regular appointment who are suspended, demoted, reclassified, dismissed or have a salary reduction shall be entitled to be heard before the Personnel Board at a duly constituted meeting in accordance with the following procedure:

A written request to the Board must be filed through the Department of Human Resources within fourteen (14) calendar days from the effective date of the action from which the employee seeks exception.

Within twenty-one (21) calendar days after the proper filing of written request for a hearing, the Personnel Board shall commence a hearing following any review of the action and complaint deemed necessary.

The hearing before the Personnel Board may be public or private at the option of the employee, and the employee may be represented by legal or other council; however, the hearing shall be informal in substance and the rules of evidence prescribed for duly constituted courts shall not apply.

The Personnel Board shall, within fourteen (14) calendar days of the aforementioned hearing, render its decision in writing, and the Secretary shall direct copies thereof to the City Manager, the City Clerk and the employee requesting said hearing.

The decision of the Personnel Board may sustain, revoke, or modify the reclassification, suspension, demotion, salary reduction or dismissal and shall be final and conclusive in all respects and shall not be subject to appeal except as allowed by law.

In the event the Personnel Board revokes or modifies a reclassification, suspension, demotion, salary reduction or dismissal and orders the employee reinstated to the former position, it may direct the payment of salary to the employee for the period of time the Personnel Board finds the suspension, reclassification, demotion, salary reduction or dismissal was improperly in effect.

Discipline shall only be taken for just cause.

## **20.10 Selection Appeal Procedure**

A Unit member who is not selected to fill a vacant position may request a meeting with a representative of the City's Human Resources Department to receive feedback concerning the employee's performance in the recruitment process. The purpose of this meeting is to enlighten the employee about strengths and weaknesses for future opportunities within the City.

## **20.11 Arbitration**

If a grievance has been properly processed through Article 20.8 - Grievance Procedure, and has not been resolved, and the original grievance is an alleged misapplication of a specific provision of this MOU which adversely affects the grievant, then the grievant, through the Union, may appeal the grievance to Arbitration.

To request Arbitration, the appeal must be filed with the Director of Human Resources or designee within ten (10) days of receipt of an answer at Level 4, or ten (10) days from the last day an answer was possible at Level 4 of Article 20.8 - Grievance Procedure.

The parties may mutually agree upon the selection of the arbitrator or shall jointly request the State of California Mediation and Conciliation Service to provide a list of seven (7) names of persons qualified to act as arbitrators.

Within ten (10) days following receipt of the above-referenced list, the parties shall meet to select the arbitrator. The right to strike the first name shall be determined by lot, and the parties shall alternately strike one name from the list until only one (1) name remains, and that person shall be the arbitrator.

Within twenty (20) days following the receipt of the notice of appeal to arbitration, a meeting shall be arranged by the Director of Human Resources or designee with the employee and appropriate Union representative to prepare a joint statement of the issue(s) to be presented to the arbitrator. If the parties are unable to agree upon the issue(s), each party will prepare its statement of the issue(s) to be presented to the arbitrator.

The arbitrator shall hold a hearing on the issue(s) jointly submitted, or as determined by the arbitrator if the parties have not mutually agreed upon the issue(s), and, within 30 calendar days of the hearing, render a written decision with reasons for the decision.

Unless the parties mutually agree, there shall be no post hearing briefs. The parties shall present oral argument immediately upon close of the presentation of evidence. However, in the situation of multiple day hearings broken by days or weeks, or of a complex case, a party may request of the arbitrator the right to submit a post-hearing brief.

Each of the parties shall pay for the time and expenses of its representatives and witnesses through all stages of the arbitration and shall contribute equally to the fees and expenses of the arbitrator and court reporter, if any. A reasonable number of City employee witnesses will be provided release time for necessary testimony.

The parties agree that the arbitrator shall not add to, subtract from, change or modify any provision of this Agreement and shall be authorized only to apply existing provisions of this Agreement to the specific facts involved and to interpret only applicable provisions of this Agreement and applicable provisions of the law.

The decision of the arbitrator shall be final and binding.

The arbitrator's award is subject to the California Arbitration Act, by petition of either side, pursuant to C.C.P. Sections 1280, et seq.

## **20.12 Appeal Procedure Waiver**

The Union agrees that the procedures set forth in this Agreement are the only grievance and appeal procedures available to the employees it represents and that

any appeal rights found elsewhere within City Codes, Ordinances or Resolutions are waived. The sole exception to this waiver is the Impasse Procedure, which is still applicable as a dispute resolution procedure available during the meet and confer process.

## Article 21 UNION PROVISIONS

- the meeting is not for organizing activities;
- the meeting is not for a membership drive;
- the Union makes a written request at least 24 hours in advance of the day it wants to use the facility, and stating the purpose of the meeting; and space is available.

The parties agree the City has the right to assess reasonable charges for the use of such facilities.

### **21.3 Conference Attendance**

Union representatives shall be allowed to use a total of 80 hours of unpaid leave per calendar year to attend training sessions, conferences and other Union activities. The use of the 80 hours may be divided among no more than eight different Union representatives each year. The Union shall provide the City with a list of which Union representatives are eligible by January 15 of each year and shall notify the City immediately of any changes in the list.

To receive unpaid leave the employees must first receive approval for the time off from their department director by completing the City's Leave Request Form.

### **21.4 Dues Deduction**

- a) Upon receipt of request from SEA/IFPTE Local 21, the City will deduct the appropriate dues or fees from the employee's pay, as established and as may be changed from time to time by SEA/IFPTE Local 21 and remit such dues or fees to SEA/IFPTE Local 21. Such deduction will continue until the City is provided notice by SEA/IFPTE Local 21 to cease dues deductions for a specified employee.

- 2) The employee's earnings must be sufficient, after other legal and required deductions are made, to cover the amount of the dues or service fees authorized. All legal and required deductions have priority over Union dues and service fees.
- 3) When an employee is in a non-pay status for an entire pay period, no withholding will be made to cover the pay period from future earnings.
- 4) In the case of an employee who is in a non-pay status during only part of the pay period and the salary is not sufficient to cover the full withholding, no deduction shall be made.
- 5) The City shall promptly pay to the designated payee all sums so deducted.

- a) Notice: The City shall provide at least 10 days' written notice, by email to addresses that the Union shall provide to the City, of all new employee orientation meetings, whether the orientation takes place in person, online, or through any other medium in which City personnel advise one or more newly-hired employees in a SEA/IFPTE Local 21-represented bargaining unit ("new employees") of information regarding employment status, rights, benefits, duties, responsibilities, or any other employment-related matters. The City typically conducts new employee orientation meetings once per quarter. This section does not apply to intake meetings with Human Resources on the employee's first day of employment.
- b) Access: At all orientation/onboarding meetings as defined above, the Union shall be afforded thirty (30) minutes to meet privately with, and provide materials and information to, all SEA/IFPTE Local 21-represented new employees who are present, without management personnel or any other persons present. These thirty-minute sessions shall be part of the regular standing orientation agenda and shall not infringe upon new employees' meal or break times. Up to two of the Union's representatives may be bargaining unit members, and any such bargaining unit members shall be authorized release time in accordance with the provisions of this MOU.
- c) Alternate Process for New Employees Whose Onboarding in One-on-One or Otherwise Not at a Group Meeting: To the extent that a new employee's onboarding/orientation process is individualized for that new employee, and/or to the extent that a new employee for any reason does not within 90 days of beginning work attend a group orientation/onboarding meeting satisfying parts a) and b) above, the following alternate provisions shall apply in lieu of parts a) and b):
  1. The Union shall notify the new employee and Human Resources of a proposed thirty-minute time slot, during normal working hours, for up to two Union representatives to meet privately with, and provide materials and information to, the new employee, without management personnel or any other persons present. Union may have individual meetings with new employees within 10 days of start date if there is no New Employees Orientation scheduled within this time period.

2. One of the Union's representatives may be a bargaining unit member, and any such bargaining unit member shall be authorized release time in accordance with the provisions of this MOU.
  3. For reasons of operational necessity only, the City may notify the Union that the proposed time is unworkable and that the Union must propose an alternate time.
- d) Information Exchange: Within thirty (30) days of hiring an employee, or by the first pay period of the month following hire, the City will provide IFPTE Local 21 with the below listed information in a digital or other usable data format such as Excel, CSV, or TSV:
1. Name
  2. Job Title
  3. Department
  4. Work Location
  5. Telephone Number(s) (work, home, and personal cellular)
  6. Personal email addresses on file with employer
  7. Home Address of the new hire

Similarly, the City will also provide the Union with the above detailed information for all employees within the Bargaining Unit at least every one hundred and twenty (120) calendar days in a digital format such as Excel, CSV, or TSV.

## **21.6 Release Time for Union Business**

- a) Union Representatives shall be allowed reasonable release time away from work with pay during regular work hours for the following matters:
  - i. Represent an employee of the Union on grievances, disciplinary, or matters within the scope of representation
  - ii. Attend mutually agreed upon meetings with the City
  - iii. Participate in labor negotiations of a successor Memorandum of Understanding
- b) There shall be a reasonable number of Union representatives in this Unit. The Union shall make its best effort to designate different Union representatives to attend Union business.
- c) The Union shall provide a list of designated Union representatives to the Director of Human Resources on an annual basis upon Union election, and shall notify the Director of Human Resources when changes occur.
- d) The number of Union representatives who will be allowed reasonable release time shall not exceed the followings:
  - i. 1 Union representative for the purpose of representing employees, or grievance as provided in Article 20.8.

- ii. 3 Union representatives for the purpose of attending mutually agreed upon meetings with the City.
  - iii. 5 Union representatives for the purpose of labor negotiations of a successor MOU.
  - iv. Where circumstances warrant, the Director of Human Resources may approve the attendance of 1 additional person at meetings with the City and labor negotiations.
- e) Use of release time:
- i. It is recognized that performance of the employee's job duties come first. The use of release time shall be reasonable, and shall not unduly interfere with work load and job requirements as determined by the City.
  - ii. Union representatives shall notify their managers for release time at least 2 working days prior to the scheduled meetings, except in those cases involving an unforeseeable circumstance that requires immediate Union representatives where advance notice cannot be given.
  - iii. Approval must be first obtained from the department director or designee, prior to Union representatives leaving their assignment to attend the schedule meetings.
  - iv. Should an employee desire to use personal time to conduct Union business, the employee shall follow the City's Administrative Policy on leave request.
- f) Labor negotiation preparation:
- i. Members of the SEA/IFPTE Local 21 negotiating team shall be released from work duties for up to a total of two (2) hours either prior to or after each meeting scheduled for the purpose of meeting and conferring on a new Memorandum of Understanding.
- g) All release time during regular work hours shall be reported on time card by using a specific pay code provided by the Department of Finance.
- h) Travel time is included within the reasonable release time.

## **21.7 Union/Management Problem Solving Committee**

The parties agree that regular meetings to explore mutual problems will be beneficial to the relationship between the City and the Union. To promote a problem-solving approach, the parties agree that decision making shall be by consensus. For these purposes, consensus means that no meeting participant objects to a decision or course of action under consideration by the group.

Consequently the parties agree to meet as needed to discuss any issue concerning the rights of either party or the relationship between the City and the Union or the City and employees the Union represents. The purpose of the meetings is to exchange information and to solve problems

The parties agree that such meetings shall not be negotiations and therefore the results of the meetings shall not be binding on the parties unless they develop and execute a document that memorializes their results.

Each of the parties will have three (3) representatives plus additional people as reasonably needed for a specific topic. Union representatives shall receive reasonable release time to participate in these meetings.

To promote the objectives of this process, the parties agree to focus on the problem under consideration and to attempt to develop a consensus solution for each problem discussed by the group. Further, to promote the objectives of this process, the parties agree to refrain from negatively characterizing the participation, ideas or approach of the other party to people outside the meeting.

The following basic concepts shall be adhered to:

- Each party will appointment a mutually agreed upon number of participants.
- Agendas will be jointly set and minutes kept.
- Effort will be made to include key policy decision makers.
- Committee may appoint sub-committees to study major issues and report back to the Problem Solving Committee with recommendations for resolution.
- A collective Problem Solving Committee proposal, when appropriate, will be submitted to each party's principals for consideration.

## Article 22 PAYDAY

Pursuant to the City's Administrative Policy Chapter 4, Article 6 (Payroll Policy), payday is normally on the Thursday following the end of the pay period, but may deviate because of a holiday in the pay period or due to an emergency. It is understood that at such time that the payday is changed City-wide, such change shall be applied to the Union with one month notice.

## Article 23 HRIS/FINANCIAL SYSTEM

The City will be implementing a new HRIS / Financial System during the term of this MOU. Accordingly, the parties agree to re-open MOU terms, as necessary, in order to implement any new system. The City agrees that the re-opener negotiations will not result in any material diminution in compensation.

## Article 24 TERM LIMITED EMPLOYMENT

- a) Term Limited appointments are designed for limited duration projects, and shall not be used to displace regular bargaining unit represented positions. There shall be no adverse effect on the bargaining units, as all bargaining unit members shall continue to receive full protections under existing MOUs. The intent behind Term Limited positions is to avoid layoffs – i.e., avoid hiring and then laying off employees retained

to perform work of a limited duration. The assignment of regular employees to perform work related to the limited duration project with Term Limited employees used to provide backfill for the work of regular employees shall not be considered displacement of regular bargaining unit represented positions.

- b) Term Limited appointments are different from Grant Funded employment as described in Salary Resolution Article 7.170, in that Term Limited appointments shall be tied to a budget for a specific project or projects of limited anticipated duration.
- c) Term Limited appointments must be approved by the City Manager.
- d) Term Limited appointments are “at-will” and may be terminated at any time with or without cause. Further, the City has the authority to terminate employment at the completion of the specified term, or prior to the specified term due to lack of funding or other budgetary constraints, or lack of work.
- e) Term Limited appointments shall specify their duration, and shall not exceed two years, except under special circumstances approved by the City Manager, in which case the term may be extended by no more than 1 year. Such positions are not intended to replace regular, budgeted positions. Duration in position is counted from hire date and is not based on work hours.
- f) Term Limited positions shall be subject to membership in the applicable bargaining unit and shall receive the full benefits applicable to their bargaining unit, except as limited by their “at-will” status.
- g) Prospective employees shall be informed of the duration of the appointment in the job announcement and at the time of employment, and shall be advised of and acknowledge in writing the impact of the Term Limited status, including that the City has the authority to terminate employment at the completion of the term, or prior to the specified term due to lack of funding or other budgetary constraints, or lack of work. Prospective employees shall also be advised of and acknowledge in writing their status as at-will employees and the City’s ability to terminate their employment for any reason with or without cause.
- h) At the request of any bargaining unit, the City will meet with bargaining unit representatives no less than twice a year to hear and resolve any concerns about the Term Limited program.

There shall be no more than twenty-seven (27) Term Limited employees in the SEA/IFPTE Local 21 bargaining unit. However, a regular SEA/IFPTE Local 21 employee in an out of class assignment (either within or outside of the bargaining unit) shall not count against the twenty-seven (27).

Any disputes regarding this provision before or during the term of the successor MOU shall be subject to mediation/arbitration before Norman Brand. After expiration of the MOU, these provisions shall be subject to the normal grievance procedures in the MOU.

This document sets forth the full agreement of the parties; anything that is not included in this writing is not part of the agreement.

**Exhibit B – Clarification of Overtime, Holiday, and Alternate Work Schedule Provision Contained in this Agreement**

**CLARIFICATION OF OVERTIME PROVISION**

Included in this Agreement and Referenced Below

and

AMENDING RELATED ADMINISTRATIVE POLICY

and

ALL ALTERNATE WORK SCHEDULES

(with and without written agreements)

Effective February 12, 1995

Reaffirmed July 1, 1996

Reaffirmed July 1, 1999

Reaffirmed July 1, 2004

Reaffirmed July 1, 2015

Reaffirmed July 28, 2022

Effective with the 2012-2015 MOU, employees are no longer eligible for overtime on a daily basis. Employees continue to be eligible for overtime on a weekly basis in accordance with the Fair Labor Standards Act (FLSA) requirements.

This exhibit is intended to clarify and reflect current practices of certain MOU articles related to overtime, holiday, and/or alternate work schedules. Examples are provided in this exhibit

describing the appropriate methods for employees to record work, leave and overtime in each of the options illustrated.

Article 16.4(a):

Overtime shall be defined as all paid hours in excess of forty (40) hours worked in a workweek. **(Example A)**

An employee who works on a holiday shall be compensated at the overtime rate for all hours worked on the holiday in addition to eight (8) hours holiday pay. **(Example B)**

All paid time shall count as time worked when determining overtime. **(Example A)**

Article 18.2:

Holiday leave is taken in full day (8 hour) increments. A maximum of 8 hours of holiday leave shall be recorded for any single work day. **(Example C)**

Article 18.2(b):

When a holiday falls on a day when an employee working an alternate schedule would normally work more than eight hours a day, that employee shall have the option, subject to approval of the employee's supervisor, of making up the difference between the eight-hour holiday and their normal workday by working the additional time during the same workweek during which the holiday falls. A supervisor's denial of this option must be based upon operational need. Employees who do not take this option will be required to use accrued/banked paid leave to make up for the additional time-off on the holiday. **(Example C)**

In the event that a City-observed holiday falls on an employee's non-scheduled workday, the holiday hours that the employee would otherwise receive will be automatically credited to that employee's floating holiday leave bank, unless the employee takes another day off that workweek subject to supervisor approval or receives holiday pay. **(Example D)**

Any paid City holidays, which occur on employee's non-scheduled workday, shall not be counted as hours worked for determination of overtime for that workweek. **(Example D)**

When an employee takes an entire workweek off for any reason and the holiday occurs on the employee's non-scheduled workday, it shall not generate any overtime pay or more than 40 regular hours of pay for the workweek under any circumstances. The employee is required to record 8 hours of holiday leave on the time card for each of the holidays occurring within that workweek, and reduce the corresponding number of hours from other paid leave. **(Example E)**

## **Special Issues for Employees working Special Schedules and/or Shift Schedules**

The options available to employees working special schedules, i.e., not working a standard schedule of 5 days per week, 8 hours per day, whether or not a special schedule agreement is on file, and for employees working a standard shift schedule in which the employee is scheduled to work 8 hours per day, 5 days per week but the work is not necessarily scheduled Monday through Friday would follow the same patterns illustrated in examples A through E below.

In addition, the following is required:

1. A minimum of 40 hours of regular time (work and/or leave time) must be recorded each and every workweek.
2. Each employee must maintain regularly scheduled work hours for each day whether worked or not so that the time card shows the number of hours that the employee is normally scheduled to work, e.g., 8, 9 and split 8, 9 or 10 hours.
3. When charging holiday time occurring on a scheduled work day which is not worked, the 9 or 10 hour per day employee must record 8 hours of holiday leave plus 1 or 2 hours, respectively, of another leave for each holiday to meet the daily hours requirement in #2 above.
4. Holiday leave is taken in full day (8 hour) increments; a maximum 8 hours of holiday leave may be recorded for any single work day. The maximum total of holiday hours recorded in a workweek may not exceed the number of holiday hours actually occurring in that week or in the prior week.

Except that in any workweek in which a Water Pollution Control Operator or Senior Water Pollution Control Operator performs a relief coverage assignment, the Operator may, with the approval of the supervisor, work (and record) varying hours on different work days for that week. Despite this possibility, these employees are required to maintain the minimum of 40 hours of regular time in each workweek (#1 above) and may not charge more than 8 hours of holiday time in any single workday.

- Example A**
- Overtime shall be defined as all paid hours in excess of forty (40) hours worked in a workweek. (Article 16.4(a))
  - All paid time shall count as time worked when determining overtime. (Article 16.4(a))

Work schedule: Monday to Friday, 8 hours per day

In this example, employee takes a day of paid leave on Tuesday. On Friday, employee works 1 hour in addition to the regular 8-hour schedule. Employee will receive 1 hour overtime in the workweek.

	Sun	Mon	Tue	Wed	Thu	Fri	Sat
Regular hours		8		8	8	8	
Paid leave hours			8				
OT hours						1	

\* Note: If a leave occurs during an employee’s regular workweek and the employee is required by management to work on a non-scheduled workday in that workweek, the hours worked on the non-scheduled workday would be paid at the overtime rate.

- Example B** • An employee who works on a holiday shall be compensated at the overtime rate for all hours worked on the holiday in addition to eight (8) hours holiday pay. (Article 16.4(a))

Illustration 1 – Regular work schedule

Work schedule: Monday to Friday, 8 hours per day

Holiday: Friday

In this example, employee works 5 hours on a holiday. Employee will receive 5 hours overtime in addition to 8 hours holiday.

	Sun	Mon	Tue	Wed	Thu	<i>Holiday</i> Fri	Sat
Regular hours		8	8	8	8		
Holiday hours						8	
OT hours						5	

Illustration 2 – Alternate 9/80 work schedule

Work schedule: 9/80, Black Friday

Holiday: Friday

In this example, employee works 5 hours on a holiday. Employee will receive a total of 5 hours overtime in addition to 8 hours holiday, in 2 workweeks.

\* Hours may split into the next workweek per split time on timecard.

<b>Week 1</b>	Sun	Mon	Tue	Wed	Thu	<i>Holiday &amp; Black</i> Fri	Sat
Regular hours		9	9	9	9		
Holiday hours						8 *	
OT hours						5 *	

<b>Week 2</b>	Sun	Mon	Tue	Wed	Thu	Fri	Sat
Regular hours		9	9	9	9	8	
Holiday hours							
OT hours							

Illustration 3 – Alternate 4/10 work schedule

Work schedule: Tuesday to Friday, 10 hours per day

Holiday: Friday

In this example, employee works 5 hours on a holiday. Employee will receive 5 hours overtime in addition to 8 hours holiday. Employee is also required to use 2 hours paid leave on the holiday in order to maintain their regularly scheduled work hours for that day.

\* Note: In lieu of using 2 hours paid leave on the holiday, employee may, with approval from manager, works additional 2 regular hours in the same workweek. See details in Example C, Option 1.

	Sun	Mon	Tue	Wed	Thu	<i>Holiday</i> Fri	Sat
Regular hours			10	10	10		
Paid leave hours						2 *	
Holiday hours						8	
OT hours						5	

- Example C**
- Holiday leave is taken in full day (8 hour) increments. A maximum of 8 hours of holiday leave shall be recorded for any single work day. (Article 18.2)
  - Holiday falls on a regular workday of an alternate work schedule. (Article 18.2(b)) – See MOU article details below.

MOU article details:

When a holiday falls on a day when an employee working an alternate schedule would normally work more than eight hours a day, that employee shall have the option, subject to approval of the employee’s supervisor, of making up the difference between the eight-hour holiday and their normal workday by working the additional time during the same workweek during which the holiday falls. A supervisor’s denial of this option must be based upon operational need. Employees who do not take this option will be required to use accrued/banked paid leave to make up for the additional time-off on the holiday. (Article 18.2)

Option 1 – Employee makes up the difference by working additional time

This option requires pre-planning and pre-approval by supervisor.

Work schedule: 9/80, Black Friday

Holiday: Monday

In this example, employee works an additional 1 hour on Tuesday to make up for the 1 hour difference on the Monday holiday. The difference is between the 8 hours holiday and the regularly scheduled work hours for that day.

	Sun	<i>Holiday</i> Mon	Tue	Wed	Thu	<i>Black</i> Fri	Sat
Regular hours			10	9	9		
Paid leave hours							
Holiday hours		8					

Option 2 – Employee makes up the difference by using other paid leave hours

Work schedule: 9/80, Black Friday

Holiday: Monday

In this example, employee is required to use 1 hour paid leave on the holiday in order to maintain their regularly scheduled work hours for that day.

	Sun	<i>Holiday</i>	Tue	Wed	Thu	<i>Black</i>	Sat

		Mon				Fri	
Regular hours			9	9	9		
Paid leave hours		1					
Holiday hours		8					

- Example D** • Holiday falls on a non-scheduled workday. (Article 18.2(b)) – See MOU article details below.

MOU article details:

In the event that a City-observed holiday falls on an employee’s non-scheduled workday, the holiday hours that the employee would otherwise receive will be automatically credited to that employee’s floating holiday leave bank, unless the employee takes another day off that workweek subject to supervisor approval or receives holiday pay. (Article 18.2(b))

Any paid City holidays, which occur on employee’s non-scheduled workday, shall not be counted as hours worked for determination of overtime for that workweek. (Article 18.2(b))

Option 1 – Exchange the holiday to another work day within the same workweek

This option requires pre-planning and pre-approval by supervisor.

Work schedule: 9/80, Black Friday

Holiday: Friday

In this example, employee exchanges the holiday to Thursday and employee is required to use 1 hour paid leave on the holiday in order to maintain their regularly scheduled work hours for the day.

<b>Week 1</b>	Sun	Mon	Tue	Wed	Thu	Fri	Sat
Regular hours		9	9	9	9	8	
Paid leave hours							
Holiday hours							

<b>Week 2</b>	Sun	Mon	Tue	Wed	Thu	<i>Holiday &amp; Black Fri</i>	Sat
Regular hours		9	9	9			
Paid leave hours					1		
Holiday hours					8		
OT hours				2 *			

\* On Wednesday of week 2, employee works 2 hours in addition to the regular 9-hour schedule. Despite the MOU language stating that paid City holidays, which occur on employee’s non-scheduled workday, shall not be counted as hours worked for determination of overtime for that workweek. Employee will receive 2 hours overtime in this situation because the holiday is exchanged to a regularly scheduled workday.

Option 2 – Receive additional 8 hours pay for the holiday

This option shall not generate overtime.

Work schedule: Tuesday to Saturday, 8 hours per day

Holiday: Monday

In this example, employee receives the holiday as additional pay, which total to 48 regular hours in the workweek without generating overtime.

	Sun	<i>Holiday</i> Mon	Tue	Wed	Thu	Fri	Sat
Regular hours			8	8	8	8	8
Paid leave hours							
Holiday hours		8					

\* Note: If paid holidays (as above) which are not worked were counted for the calculation of overtime, then the employee who works the holiday (as in Example B) and the employee who did not work the holiday because it occurred on a non-scheduled work day would receive the same pay. This is an inequity in pay which was never intended.

Option 3 – Take the holiday leave as floating holiday credit

Work schedule: Tuesday to Saturday, 8 hours per day

Holiday: Monday

In this example, employee will not record holiday used and will receive a credit of 8 hours floating holiday automatically within two pay periods after the City observed holiday.

	Sun	<i>Holiday</i> Mon	Tue	Wed	Thu	Fri	Sat
Regular hours			8	8	8	8	8
Holiday hours							

- Example E** • Holiday falls on a non-scheduled workday with the entire workweek off. (Article 18.2(b)) – See MOU article details below.

MOU article details:

When an employee takes an entire workweek off for any reason and the holiday occurs on the employee’s non-scheduled workday, it shall not generate any overtime pay or more than 40 regular hours of pay for the workweek under any circumstances. Employee is required to record 8 hours of holiday leave on the time card for each of the holidays occurring within that workweek, and reduce the corresponding number of hours from other paid leave. (Article 18.2(b))

Illustration 1 – Shift work schedule

Work schedule: Tuesday to Saturday, 8 hours per day

Holiday: Monday

In this example, employee takes the entire workweek off with paid leave. The holiday falls on Monday, a non-scheduled workday. Employee is required to exchange the holiday to one of the paid leave days from Tuesday to Saturday.

	Sun	<i>Holiday</i> Mon	Tue	Wed	Thu	Fri	Sat
Regular hours							
Paid leave hours				8	8	8	8
Holiday hours		8					

Illustration 2 – Alternate 9/80 work schedule

Work schedule: 9/80, Black Friday

Holiday: Friday

In this example, employee takes the entire workweek off with paid leave. The holiday falls on black Friday, non-scheduled workday. Employee is required to exchange the holiday to one of the paid leave days from Monday to Thursday, and use 1 hour paid leave on the holiday in order to maintain their regularly scheduled work hours for that day.

	Sun	Mon	Tue	Wed	Thu	<i>Holiday &amp; Black</i> Fri	Sat
Regular hours							
Paid leave hours		9	9	9	1		
Holiday hours					8
